Ex-GI Shot In GC Early Today; Dies Of Wounds

Walter Rowland, 26, Goes to Police and Admits Firing Shotgun

Jerry Thompson, 23, of Upton, Ky., died at 4:30 p.m. today at St. Elizabeth hospital of wounds suffered when he was shot in the stomach at 12:30 a.m. on a parking lot at 20th street and Park avenue.

A warrant was to be issued this afternoon against Walter H. Rowland, 26, of 1723 Edison, who admitted the shooting in a signed statement after he appeared at the police station and surrendered with a 20-gauge shotgun.

Rowland told police the shooting occurred because of attractions paid by Thompson to Rowland's former wife, Mrs. Joyce Rowland, 23, of 4033 Division street.

Thompson, who was released from the armed forces on Saturday, had been acquainted with Mrs. Rowland previously while stationed here at the Granite City Army Depot. He later was transferred overseas.

Difficulties which had arisen between the two men had been discussed with the depot chaplain, police learned.

Admits Making Threat
According to the statement made today, Rowland admitted making a threat against Thompson if he should return to Granite City.

Rowland, whose occupation was not learned, told police he had been to a local area drive-in theater Sunday night and after leaving, he saw his wife's auto parked at a tavern at 20th street and Edwardsville road.

He then went home and got his shotgun and returned waiting for her to leave the tavern.

He said he followed his former wife's auto west on 20th street and passed it, but when the car stopped at Park avenue, he made a U-turn, got out of the car and fired one shot at Thompson with an automatic.

Police also obtained a statement from Mrs. Rowland describing the incident. Her statement was witnessed by two other passengers in the car, Preston Foster, 29, of 2841 Redwood lane, Mitchell, and Marian Weeks, 39, of 338 Franklin avenue, police said.

Thompson's survivors include his mother, Mrs. Delvina Dorsey of Upton. Services will be held Wednesday at a funeral home, with burial in Hubbard cemetery there.

Drive on Teen Drinking, False Age ID Cards

Madison Mayor Stephen Macrae is among the growing number of people concerned about the seriousness of teenage drinking, he said today in announcing a crackdown and calling for public cooperation.

He noted that draft card and driver license forgeries could lead to pentecostal sentences, Sheriff Barney Fraundorfer also has been warning of a campaign against teen drinking.

Reports reaching the press-Record from a number of sources during the weekend indicated that many area youths suffered when they were playing identification cards and showing they were born in the early 1940s. Illinois law prohibits beer and liquor sales to males and females under the age of 21.

Such cards often have plastic surfaces and are hard to distinguish from genuine cards, particularly in the dim light of taverns. The place where the counterfeit cards are being pined has not been located.

12 Weeks in Jail
An example of the severity of such offenses is the experience of Russell E. Mahoney, 18, of 17, of 2549 Circle drive, appearing Friday before Magistrate Joseph T. Kelleher after a year's probation but sentenced to 12 weeks in jail.

He was charged with unlawful use of and altering driver licenses in purchase liquor. The complaints were filed by county Chief Investigator Louis Bowman.

Bowman said the youths were arrested following a telephone complaint Thursday night by Mrs. Frances Waugh of the Little Dover.

He said Mahoney displayed an altered driver's license showing his age to be 21.

He said his sister's boy friend's license as proof of age.

When Mahoney and Mrs. Waugh for her prompt action in reporting the incident, and will be subject to the same type of punishment if linked to such violations.

Arrests This Weekend
Westchester drive was arrested after midnight Saturday on a charge of illegal possession of liquor at 2814 Pershing avenue. The complaint was signed by Ponton Beach Police Chief Douglas Hagen.

Donna Cole was released on \$100 cash but pending a hearing set for March 10.

Clyde Stark, 19, of 1917 Benton street was arrested at 10th street and Delmar avenue about 9 p.m. Saturday for illegal possession of an alcoholic beverage.

He was held pending posting of bond.

Illegal possession of liquor charges were filed by Madison police against Furba Cline Jr., 18, of 2641 Madison avenue and Terry Ridenhour, 18, of 2210 Alexander street, who were admitted to St. Elizabeth hospital with injuries suffered at their car hit a parked auto on Fifth street at 11:40 p.m. Thursday.

Cline car a few minutes later.

Membership In Mental Health Unit Being Urged

Expanded Staff Could Serve More Residents; State Matches Funds

Increased membership in the Madison County Mental Health Society's Quads-City Center, enabling it to expand its services, is the goal of an effort launched today by Mrs. Minerva Woman's Club of Granite City.

Letters were sent today by Mrs. Frank L. Kraus, club president, and Mrs. Kenneth W. Rapp, program chairman, to more than 300 organizations in the Quad-Cities, Collinsville, Edwardsville, Troy and Highland.

Established to treat mental and emotional illnesses and to engage in a broad preventive program, the psychiatric clinic at 12434 Niederhans avenue currently is able to accept 25 to 30 new patients a month.

With a larger staff, it could serve a larger portion of the mental health needs of the community, the club is pointing out.

30% from State
The Illinois Department of Mental Health currently is providing 30% of the Quad-City Center's \$51,500 yearly operating budget, with the communities in its territory supplying 40%.

Financial support is increased, the state may increase its financial assistance, Executive Director C. Schrapps has announced.

Memberships available to organizations and individuals range from \$1 to \$5, \$10 to \$25, \$25 to \$50 and \$50 and over.

Mrs. Kraus and Mrs. Rapp said the center "is fine" and "has a fine staff" and "is doing a fine job." The center is financed in part by the Department of Mental Health, the local United Fruit agencies, individual memberships and contributions.

The center also has a few vacancies based on the ability of patients to pay.

However, these available funds are not adequate. We urge you to join with us and support this cause through your membership subscription."

Governing Board
Nicholas J. Bink, manager of the A. O. Smith Corp. plant in Granite City, is president of the board of directors of the private, nonsectarian clinic.

Vice-presidents are Herbert Esterline of Collinsville and Edwin Reeske, president of the Tri-Cities Trades and Labor Council, AFL-CIO.

Herald Thomas, director of special education in the Granite City school district, is treasurer. Mrs. Eva Meier, principal of Logan grade school, is secretary.

Team Approach
A psychiatric team approach is used at the center in treating individual patients. This involves joint and integrated participation by three main disciplines—psychiatry, psychology and social work.

The present staff consists of Robert Hicks, M.D., psychiatrist

14 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

Jerry Lapinski, 16, of 2235 Iowa street, suffered a twisted back and pain over the right ribs at 10:30 a.m. Saturday when the southeast auto in which he was riding was hit by the car of Earl E. Kircher, 16, of 2222 East 24th street at 10:30 a.m. Saturday.

Kircher, who had turned left from 14th avenue to go south on N. Main street, was charged with failing to yield the right-of-way. Lapinski was a passenger in an auto driven by John Brooks, 2138 Adams street.

James R. Page, 23, St. Louis, suffered a wrist cut and three passengers were hurt at 2:40 a.m. Saturday when his southbound car sideswiped while trying to pass the southbound auto of Henry Leonard, 35, of 641 Mercedia street, Venice, at the fourth street curve north of the Higgins highway in Venice.

Page's car overturned into the ditch along the east side of the street. The vehicle was towed away and he and Harold Salas, Johnny Gates and Stanley Whitehead, all of St. Louis, were taken

MITCHELL FIRE RUINS are doused with water by a volunteer fireman today after an early morning blaze at the 15 Acres Truck Stop on the Chain of Rocks road. The roof of the frame building collapsed but two walls remained standing.

26 Hurt In 27 Area Traffic Accidents

Four Injured in One Crash, 3 in Another In Weekend Crash Toll

Twenty-six persons were injured in a series of 27 traffic accidents occurring in the Quad-City area during the weekend. Four persons were hurt in one accident and three in another.

Four persons were injured when a car driven by Wilbur E. Whipple, 2710 Iowa street, and Sandra L. Risher, 17, of 2428 Kildare street, collided at 17th and State streets at 12:10 p.m. Sunday.

Taken to St. Elizabeth hospital were the Risher girl and three passengers, Mrs. Ruby Risher, 33, Richard Risher, eight, and Debra Risher, 12, all of the Kildare address. Mrs. Risher and Debra had skull injuries. Mr. Whipple was taken to St. Louis.

Sandra was released. Richard was examined, treated and released.

Three Persons Injured
Three persons were injured when autos driven by Richard J. Snider, 41, and John J. O'Leary, 39, both of St. Louis, collided at 3:30 a.m. Saturday at Highway 111 and Ponton road.

Treated at St. Elizabeth hospital were Snider with stomach pains, O'Leary with lacerations on his face, and a passenger in the O'Leary auto, Robert Ryan, 43, of St. Louis, with pains in the left arm and left kidney area. O'Leary was transferred to City Hospital and Ryan to DePaul Hospital in St. Louis.

Snider, 41, of 2235 Iowa street, escaped serious injury when his auto was struck by a New York State Railroad passenger train that transferred to City Hospital and Ryan to DePaul Hospital in St. Louis.

The car was dragged about 30 feet and landed in a ditch. Snider was taken to St. Elizabeth hospital for treatment of a cut on the right ear, forehead bruises and a cut on the left little finger and for x-rays.

Passenger Injured
Jerry Lapinski, 16, of 2235 Iowa street, suffered a twisted back and pain over the right ribs at 10:30 a.m. Saturday when the southeast auto in which he was riding was hit by the car of Earl E. Kircher, 16, of 2222 East 24th street at 10:30 a.m. Saturday.

15 Acres Restaurant Burns Today, Loss May be \$80,000

Fire at 8 a.m. today destroyed the 15 Acres restaurant, Rural Route one, and damaged an adjoining trucking office. Loss estimates ranged up to \$80,000.

Mitchell volunteer firemen who responded to the call, listed possible causes as faulty wiring of an oil furnace.

William Thiele, a porter at the restaurant, discovered the fire in the furnace room while cleaning the building. He has been living above the restaurant in an apartment.

Pontoon firemen fought the blaze and no injuries were reported. Sheriff's deputies were called to the scene at 6:35 a.m. to direct traffic on Chain of Rocks road, Mitchell, and when they left the back wall and side walls of the building were still standing. The roof had caved in, and the frame building was a smoking ruin.

Large Inventory
The restaurant is owned by Barry Jateff and Thomas Davidson, both of Granite City. Jateff gave the \$80,000 loss figure noting that he had a large inventory of liquor, stools, and other food.

Assistant Mitchell Fire Chief Ed Eberhart said, "By the time we got there the fire had a good start and it took all 14 men to fight it."

An adjoining office housing Commercial Transport Inc., suffered water damage but its records were intact.

Mitchell Chief Lee Paul, who finally got breakfast at noon today, told the Press-Record he had not yet talked to the owners but was sure the damage would exceed \$30,000, pending a report of the extent of food and liquor loss.

"I know there were a lot of bottles because they kept popping them in the raft, but that it was reasonable to assume there had been survivors to inflate the bill."

2 Enticed in 1960
Capt. Causey enlisted in the Air Force in 1960 following his graduation from Southern Illinois University. He completed his flight training at James Conley Air Force Base near Warren, Texas, and went to Vietnam in the spring of 1965. He returned home last November for a two-month leave and went back to Vietnam early in January.

He has four brothers, Robert, Paul and O. J. Causey of Dover, Tenn., and three sisters, Mrs. Nina Wallace and Mrs. Brenda Withers of Granite City, and Mrs. Jacqueline Hanson of Dover, Tenn.

Capt. Causey has been a resident of Granite City since 1961 when his family moved to Dover, Tenn. from Tennessee. His father is a retired employee of Granite City Steel Co.

Within the last nine weeks, three Marine and Army servicemen from the Quad-City area were reported killed or fatally wounded in Vietnamese actions.

Large Pontoon Beach Village Being Proposed

700-Acre Annexation Would Take All Land East of A&S Railroad

In a move which caught some members of the Pontoon Beach village board of trustees by surprise, a petition to annex an estimated 700 acres in the present village was introduced at the board's monthly meeting Thursday evening.

The annexation petition is to be filed today by Village President Thomas Stauff at the Office of the County Clerk Judge Harold E. Clark in Edwardsville.

The proposed annexation would extend the village limits from the present southern corner on South street, westward along Section Line 11 to the Alton and Scottsbluff railroad tracks, north to the township line (Edwardsville road) and east to Highway 111 at the north end of the present village limits.

Seek School Closures
Announcement of a petition on the proposed size of the current village area, the proposed annexation plan, if approved by referendum, would take in the area of one new Grady-nine school.

Last week, Granite City school board members authorized Superintendent Russell D. Johnson to petition the city of Granite City for permission to annex the 70-acre tract and also to connect into the Granite City sewer system.

Approximately 200 signatures were included on the petition, which was presented at this meeting by Stauff.

Presented by Pastor
He said that it had been brought to his home earlier this evening by Rev. Guy Carter, pastor of Pontoon Beach Baptist Church.

The village president said he had been aware that a petition was being circulated in the area, but that he did not know the petitioners would ask for it to be considered at Thursday's meeting.

Rev. Carter, he added, had asked him if it could be included on the meeting agenda and had suggested Stauff present it.

Since Rev. Carter thought he might not be able to attend the first portion of the meeting, Stauff minister, who also is a teacher at Emerson school, helped at Stauff's petition drive.

Rev. Carter has at 2715 Bush drive and his church also is in the area proposed for annexation. He told a Press-Record reporter that he personally had collected about 37 signatures.

Although an immediate vote is not likely, Stauff said.

Special Measles Clinic Saturday

A special measles immunization clinic for children will be held from 8 to 10 a.m. Saturday, March 5, at the St. Elizabeth hospital emergency room under arrangements made by the Tri-City Medical Society, it was announced today by Dr. Melvin Freedman, president.

Limitations are that the child must be between the ages of nine months and eight years, must be on the clinic list or be a new clinic patient with a doctor's referral and must not have had measles.

Infants under nine months of age have natural immunity.

Caused by a virus, measles cannot be contracted after an individual has had the disease or is immunized from the vaccine.

Most have no reaction to the immunization, some develop a slight temperature or mild rash within two weeks, but have no other difficulty.

For this one clinic, no other immunizations besides measles will be administered. It was reported by Dr. Felicia Koch and the clinic nurse, Miss Gerald Moore. Regular clinic procedures will be resumed April 2, when measles and other immunizations will be given.

Dr. Koch said an extra large number of volunteers will be needed Saturday from the following groups, who include nurses, nurses aides, Jaxces, Jaxces, Candy Strippers and Pink Ladies.

Capt. J. B. Causey Missing in Air Crash in Vietnam

Capt. John Bernard Causey, 25, son of Mr. and Mrs. Van Causey of 2824 Willow avenue, was reported missing in aerial action in Vietnam Saturday, and his parents were waiting today for word of his fate.

Capt. Causey was reported aboard a military aircraft which was sighted on the morning of Feb. 27, but he did not know the type of aircraft nor the number of crew members aboard. Capt. Causey was a navigator.

Capt. Causey, a brother of Capt. J. B. Causey, told the Press-Record that the family was notified of the crash about noon Saturday.

He said military officials also told them that a crash was sighted at the scene of the crash a short time later and that a search for survivors was being made.

"All we can do is wait and hope," Capt. Causey said. "The official report is that no men were sighted in the crash, but that it was reasonable to assume there had been survivors to inflate the bill."

Mrs. Schrabauer, 85, Dies; Former Resident

Mrs. Frances Hogan Schrabauer, 85, formerly of Venice, passed away at 5 a.m. Saturday at the Jerseyville Community Hospital. She was taken there after becoming ill three weeks ago.

Born in Gelconda, Ill., she moved two years ago to Jerseyville, where her address was 407 Linden avenue.

She is survived by her husband, Anton Schrabauer; five sons, Ray, Jack, Chester, Claude and Dick Hogan, all of St. Louis; one daughter, Mrs. Nora Seeley, Glasgow, Mo.; 16 grandchildren, seven great-grandchildren and 17 great-great-grandchildren.

Services were held this afternoon at a Madison funeral home, with burial at St. John's Cemetery. Arrangements are given in the obituary column.

GCAARC Meets Tonight

Special Uniuah Organizing Campaign

Froemling to Lead Spring Drive to Form Scout Units

ALBERT H. FROEMLING

Albert H. Froemling, executive vice-president of the Madison County Federal Savings and Loan Association, will be general chairman of a special "Together We Organize" campaign in the Quad-Cities this spring. It was announced today by the Uniuah Boy Scout district.

Purpose of the campaign will be to create more scout units to serve boys in the cub, scout and explorer age groups, it was explained by Edward R. Applegate, Uniuah district chairman, and William F. Winter, district organization and extension chairman.

In accepting the chairmanship, Froemling stressed the importance of organizing new packs, troops and posts to replace units that have gone out of existence and also to serve areas of this community not previously served.

Boys Denied Chance to Join
"Many boys are being denied the opportunity to become scouts," Froemling pleaded. "There is no shortage of boys interested in joining. The problem is the small number of units and the lack of adults to supervise new units."

Major emphasis of the drive will be to challenge adults and institutions to become active, or to become more active, in the scouting program.

Announcement of the drive chairmanship's identity followed a conference Friday afternoon. The initial planning session has been set for 7 p.m. Wednesday at the Boy Scout office in Granite City.

March, April Dates
The nine-week campaign will be climaxed with a "Together We Organize" meeting set for late April. Training of unit organizers is planned on March 24 and April 14.

Highlight of the drive will be the final meeting, at which a prominent inspirational speaker will deliver the principal talk. GCAARC representing potential sponsoring institutions will attend.

Recruiting of new adult scouts and unit sponsors takes place on a year-around basis every year, but "Together" organizing campaigns are planned when the need for additional units is particularly acute.

Reasons For Special Drive
As the auto of Leonard Lybarber, 2038 Oregon avenue, backed out of a driveway for the 2800 time to enable the Quad-City district to match the number of units and boys active in past years; to accommodate the larger number of boys involved.

In serving the same percentage of the population as in the past; and to increase the percentage served, in line with Catholic Mound Council long-range goals announced last year.

Froemling pledged a concerted drive to expand local scouting by the end of April. Although the formal campaign is to be completed in nine weeks, contact will be maintained with new units during May and June to assure them of a successful start.

The "Together" chairman has been associated with Madison County Federal Savings and Loan for the past seven years.

City, Water Co. Open Pact Talks

An ice-breaker meeting to pave the way for franchise negotiations between the city of Granite City and East St. Louis Interurban Water Co. was held Friday, and further meetings are to be scheduled for the near future.

Mayor Purney said records show the city and water company have had no agreement since about 1917, and that the last franchise talks were held in July 1938. No agreement could be reached.

Plans are for the management of the company and members of the council's Fire and Water committee to meet after the utility prepares a franchise proposal and the city prepares a draft of the benefits it desires.

Under franchises with other utilities, the city receives a number of free street lights and gas service for city buildings as well as benefits on telephone service.

She is survived by her husband, Harvey Williams; a son, Jerry Lee Williams of Glen Carbon; two daughters, Tammy and Robyn, both of Glen Carbon; one brother, James Hoover, Granite City; two sisters, Mrs. Virna Vaughn, Granite City, and Mrs. Kathleen Slusser, Pleasant Ridge road; and her mother, Mrs. Maude Elam, Granite City.

Funeral arrangements are given in the obituary column.

Blast Lake Outlet to Permit More Drainage

The outlet from the lake to the Cahokia Drainage Canal, north Interstate 70 and Monk's Mound, was blasted with dynamite Friday to clear rubble from the outlet and permit drainage of the lake.

The work was done by the East Side Levee and Sanitary district. Levee board officials said the work was done in anticipation of heavy spring rains and to prevent a backing up and overflow of the lake onto farm lands. The work was done under direction of a demolition expert and Jack Conrad, chief mechanic for the levee district.

Five separate dynamite shoves were used. After the outlet was opened, the water flowed to a pumping station near Route 111 and then into the drainage canal which takes it to the North Side pumping station on the riverfront.

16 Depot Secretaries Attend Special Class

Improving efficiency and courtesy in federal office personnel was the principal theme of a four-hour training course for receptionists and secretaries held Friday in the Mart Building, St. Louis. The first area-wide program of its type to be offered here to local government personnel, the class attracted more than 250 participants, including 16 from the Granite City Army Depot.

Those attending from here were Terry Pittman, Julie Moody, Donna Welborn, Vera Duetchman, Helen Douglas, Janice Zinn, Dorothy E. Shepard, Doris Buer, Isabelle Varian, Diana Huskamp, Pearl Wright, Helen Linchik, Mary Subert, Willa Hicks, Janice Summers and June Morgan.

Investment Firm to Buy Biederman Co.

The American Investment Co. is completing negotiations for acquiring asset of the Biederman Furniture Co. and National Furniture Co. Stores for cash, according to Donald L. Barnes Jr., president of AIC. Barnes said the move is AIC's first major investment outside of finance and insurance fields.

The Biederman Furniture Co. operates a store in the Nannoki Village shopping center in Granite City. The two companies, presently owned by Larchfield Corp. of New York City represent the largest independent furniture and appliance chain store operation in this country. Together they operate 61 stores in nine states. Combined sales in 1965 were \$47 million with credit receivables totaling another \$27 million.

The board of directors of AIC approved the purchase of principal at a meeting Feb. 23 and the boards of directors and stockholders of Larchfield Corp., Biederman Furniture Co. and National Furniture Co. Stores Corp. approved the sales at meetings Thursday.

A new subsidiary corporation, Biederman National Stores, Inc. has been formed by AIC to operate the new retail division. Names of the individual stores are not to be changed and the operating, management, and financial policies of the two companies, both based in St. Louis, also will remain unchanged. No change is contemplated in employees of the companies, it was reported.

Lions Complete Plans For Khoury Banquet

Madison Lions completed plans last week for a recognition banquet at 7 p.m. Thursday, when about 60 members of three Madison Khoury League chapters, three baseball teams, their coaches and managers will be honored. Final arrangements were discussed at the Lions weekly meeting attended by 30 members, at the Sportsman's Club, Thursday.

Youngsters and team officials to be honored, include members of the Sav Mor atom division team, runner-up in the two-state area finals held in St. Louis; the Madison police team, which captured top spot in the fourth place playoffs in the same Forest Park tournament; and the Lions-sponsored midget division champions in the local circuit. Avery Schermer, chairman of the club's annual "pancake and sausage brunch," set for Sunday, April 3, at the Madison Memorial Center, announced that serving will begin at 7 a.m. and continue through the noon hour. He added that tickets are now available from club members. Donations are \$1 for adults and 50 cents for children under 12 years.

Highway Accident

An auto driven by Edward D. Colligan, 2019 Hillside street, Cloverleaf, struck the rear of another driven by Kenneth Brodzinski, St. Louis, who had stopped in Highway 3 to make a right turn onto By-pass 66 at 4 p.m. Thursday. No one was injured.

\$50 License Fee Set

Paul A. Becker, 31, of Alton, was fined \$50 plus \$5 costs last week in magistrate's court on a charge of driving with an expired driver's license. The charge was filed by county authorities.

3 GC Residents Receive Awards

Three Granite City residents last week received Army awards as employees of the Army Mobility Equipment Center, St. Louis.

A suggestion award of \$25 went to Edward S. Asadorian, 2117 Grand avenue.

A sustained superior performance award which included a check for \$200 went to Mrs. Catherine A. Kress, 1415 Niedringhaus avenue.

An outstanding rating with a quality performance pay increase went to Mrs. Doris J. Vorce, 4023 Sara street.

Presentation of the awards was made by Col. J. A. Sweeten, deputy commander of the center, which has the logistical responsibility for the Army's surface, rail, marine and amphibious equipment on a global basis.

U. S. Clerical and Office Jobs Open

The regional office of the U. S. Civil Service Commission at St. Louis has announced plans for examinations for clerical and office machine operator positions in Madison and St. Clair counties in Illinois and in the Missouri area.

Agencies in these areas will fill posts of clerical office machine operator, electric accounting machine operator and card punch machine operators through examination.

Albert H. Sonntag, regional director, stated that all applicants are required to pass a written test of general clerical, verbal and arithmetic abilities. No previous education or experience is required for a limited number of trainee jobs paying \$3507 a year. Annual salaries for other positions requiring previous education or experience begin at \$3814 and \$4149.

County Draft Office To Move on April 1

The county selective service office will move into the new post office and federal building in Edwardsville on April 1 and will be closed on that date for the move, it was announced today by Mrs. Ada F. Daniels, civic director.

The new office will be open at 8 a.m. on April 4 in the new location in the 100 block of North Kansas street. The office presently is located at 404 Hillsboro avenue.

Quadrants being drafted report to the county selective service office each month for assignment to training camps.

Three Local Youths Enlist in Army

Robert L. Hoffman, son of Mrs. Ellen Hoffman, 2151 East 24th street; Terry D. Hall, son of Mr. and Mrs. Jewell Hall, 2519 East 24th street; and Ralph E. Webb, son of Mr. and Mrs. John T. Webb, 907 Kirkpatrick homes, recently enlisted in the Army and are now taking basic training at the Army Training Center, Ft. Leonard Wood, Mo.

Hall and Webb, graduates of Granite City high school, enlisted on the "buddy" plan for telephone operators specialist school. Hoffman enlisted for air defense training. This advanced individual training was guaranteed them prior to enlistment at the local Army Recruiting station, 1340 Niedringhaus avenue.

SPECIAL CITATION OF APPRECIATION presented last week to Leo Konzen (right) for his outstanding accomplishments as chairman of the United Fund, Madison and St. Clair counties. The presentation was made last night by UFF President Joseph Glik (left).

U. S. Civil Service Jobs Available

U. S. Civil Service Commission opportunities for career employment in government are greater this year than in recent years. Staffing needs are resulting from new or domestic programs and the defense buildup in civilian employment.

A. H. Sonntag, director of the St. Louis regional area, the nation's high rate of employment combined with expansion of government programs has created employment shortages in most federal agencies. Greatest demand is for qualified candidates for administrative, technical and professional career-type positions. Some agencies in the St. Louis area have immediate openings.

An estimated 12,000 positions will be filled this year through the federal service entrance examination which is the government's primary means of recruiting for jobs in 60 major occupational fields, it was pointed out.

College graduates and individuals with equivalent experience demonstrating their capability for advancement to responsible positions are eligible for appointments through this examination. Annual salaries begin at \$5181 and \$6269.

Applications for the test must be submitted by March 16 for the test scheduled on April 16, and by April 19 for the May 21st test.

Prof. Mann Aids in Naming First Lehman Fellows

Prof. Seymour Mann, head of Southern Illinois University's Southwestern Campus Public Administration and Public Affairs Program, was in New York last week at the invitation of the State Department of Education Commission on Higher Education.

He is a member of the four-man selection team, to name the first Herbert H. Lehman fellows. Serving with him are Prof. Mark Bernsten of Princeton University, Prof. Donald Herzberg of Rutgers, and Prof. Evan Vagt, Harvard University anthropologist.

The Lehman fellowships in social sciences and public and international affairs were established in honor of the former New York governor for his "long career of distinguished service to the state and nation."

While in New York, Prof. Mann is lecturing on "The War on Poverty — Its Political Meaning at Harpur College of the State University of New York."

Special projects are being undertaken to reach the other four percent, about 600,000 persons, many of whom elderly and housebound, or living in rural areas.

The Press-Record publishes again today a form that may be filled in and sent to the Social Security District office in East St. Louis to obtain assistance in enrolling in the project.

Seaman Ronald Polite Aboard Missile Destroyer

Seaman Apprentice Ronald H. Polite, USN, son of Mr. and Mrs. Everett Polite of Rural Route One, is serving in the Western Pacific with the Seventh Fleet aboard the guided missile destroyer USS Robison.

Robison's primary mission is anti-aircraft and anti-submarine defense for ships and units of the Seventh Fleet. She can also provide naval gunfire support, shore bombardment, in support of the friendly forces operating on land.

Applications for the test must be submitted by March 16 for the test scheduled on April 16, and by April 19 for the May 21st test.

Coleman Attends Board Meeting of Hairdressers

Stanley Coleman, local beauty shop owner and a member of the Illinois Hairdressers and Cosmetologists Association's board of directors, recently returned from Chicago, where he attended a two-day meeting of the state executive group.

At the conference, Eugene May, association president, announced plans for a contest to be held March 27, in Galesburg, Ill. The event will be staged to select a hair stylist to represent Illinois at the national convention. All permanent members of the Illinois Hair Fashion Committee are eligible to compete, May said.

All members were present and prizes were won by Mrs. Alice Koesterer, Mrs. Mary Parcade, Mrs. Angie Hartman, Mrs. Myrtle Ryan and Mrs. Myrtle Bruns. Eleven members were present and Mrs. A. M. Jacob was a guest.

CLUB HOLDS BIRTHDAY PARTY

Mrs. Hubert Heinrich, 2012 Richmond avenue, was hostess to her pinocle club Thursday evening.

The group celebrated the birthdays of two members, Mrs. Leona Parente and Mrs. Vera Carey, presenting gifts to both, and entertained a guest, Mrs. Frances Mitchell of Chicago, a sister of the hostess.

Winners of prizes were Mrs. Margaret Richardson, Mrs. Agnes Schwarzkopf, Mrs. Heinrich and Mrs. Veronica Wagner. Officers present were Mrs. Grace Range and Mrs. Libbie Lombardi.

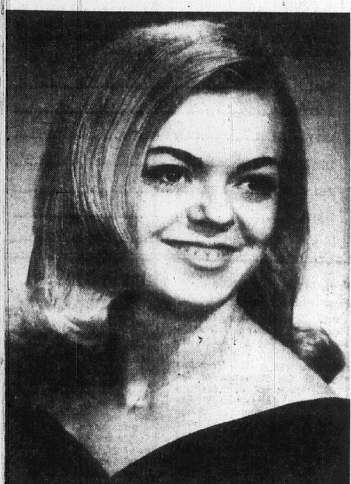

TRIO HOMEMAKERS UNIT STUDYING DESIGNING

Initial designing instruction was held Thursday for members of the Trio unit of the Madison County Homemakers Extension Association in the home of Mrs. Julie Lux, 2576 East 27th street. They cut miniature patterns and learned how to make "dart" changes, converting darts to gathers.

Instructors were Mrs. Clara Schilling, Mrs. Shirley Schilling, Mrs. Ruth Brava and Mrs. Florence Rapp.

A chili luncheon was served at noon by the hostess to the teachers and Mesdames Villa Mae Ridgely, Ivan Graklanoff, Helen Jacobs, Dorothy Luckert, Virginia Little, Mable Gersch, Elizabeth Romine, Pearl Anderson, Helen Scheffer, Dorothy Arnold, June Lux and Jerry Short.

The next session will be held at 8:30 a. m. March 14 in the home of Mrs. Bruce Ruff, Route One. The lesson will be on converting collars to different styles.

MISS LINDA MARLENE WILLIS, fiancée of Edward M. Wingo, a son of Mr. and Mrs. Waverly H. Wingo of Mounds, Ill. The bride-to-be is a daughter of Mrs. Lark Wingo, 1729 Edison avenue, and the late Mr. Willis.

Mrs. Munson Presents Paper

A paper on "War and Slavery" was given by Mrs. C. W. Munson Thursday afternoon at a meeting of the Bay View Reading Club in the home of Miss Beatrice Gohy, 1639 Lindell blvd.

The hostess, vice-president of the club, presided in the absence from the city of the president, Mrs. Emil Mueller.

A short business session followed the dessert course and the program. Eleven members were present and Mrs. A. M. Jacob was a guest.

Miss Linda Willis Is Engaged

Announcement is made of the engagement of Miss Linda Marlene Willis, a daughter of Mrs. Lark Wingo, 1729 Edison avenue, and the late Mr. Willis, to Edward Maurice Wingo, whose parents are Mr. and Mrs. Waverly H. Wingo, 128 North Reader street, Mounds, Ill.

The bride-to-be was graduated last January from the Granite City high school. She is now employed as a stenographer by a St. Louis advertising firm. Her fiancé was graduated in 1962 from the Mounds township high school. He later enlisted in the U. S. Air Force, receiving basic training at Lackland Air Force Base, Tex., and special training at a school in San Angelo, Tex. At present he is employed in St. Louis.

Plans are being made for an early spring wedding.

Lutheran Women's League Meets

The Lutheran Women's League of St. John Lutheran Church met Thursday evening at the church. Mrs. Josie Diak presided, and 15 members responded to roll call.

A Lenten devotional service was led by the president, and during the business sessions plans were made for a "white elephant" auction March 31, and a kitchen cleanup March second.

Hostesses for the meeting were Mrs. Esther Papp and Mrs. Nadine Papp.

MR. AND MRS. DAVID REINHARDT, who were married recently at Salem United Church of Christ in Alhambra, Calif. The bride is the former Donna Gusewelle, a daughter of Mr. and Mrs. Christ Noeth of Alhambra. Mr. Reinhardt's parents are Mr. and Mrs. Edwin Reinhardt, 1601 Garfield avenue.

Miss Barbara Ann Scizglak, Virgil C. Haddock are Wed

Candles entwined with smilax and white bows along the aisle, together with palms, ferns and white and pink flowers on the altar lighted with candles in branched candelabra, provided the setting for the wedding Saturday evening of Miss Barbara Ann Scizglak and Virgil C. Haddock.

The Rev. J. Boyd Wolverton performed the ceremony at 7 o'clock at First Assembly of God Church. The bride's parents, Mr. and Mrs. Frank J. Scizglak, 2449 Hemlock avenue, gave a reception afterward in the church Fellowship Hall.

Given in marriage by her father, the bride wore a gown of ivory silk alpaca designed with an empire silhouette featuring a batteau neckline and bracelet-length sleeves. A beaded band marked the high waistline and trimmed the sleeves. The skirt, falling straight in the front, was enhanced by a full court train. A beaded, re-embroidered ivory lace pithbox secured the bride's veil of silk illusion and she carried an off-side cascade of gardenias, stephanotis and variegated ivy.

Music for the wedding was furnished by Miss Kathy McCulla, organist, and Raymond Voorhees, organist.

The maid of honor, Miss Pamela Scizglak, and bridesmaids, Miss Marlene Scizglak and Miss Connie Haddock, sisters of the bridegroom, and Miss Phyllis Sharleville, were dressed alike in floor-length gowns of ruby red velvet with wide scoop necklines and elbow sleeves. Satin bows marked the backs of the bodices and red velvet pithbox hats with brief veils completed the costumes. They held colonial bouquets of pink carnations.

A little flower girl, Angela Gorman, cousin of the bride, was dressed in a short frock of velvet to match those of the older girls. It was made with a scoop neck, cascade sleeves and a large satin bow at the back of the waist. She carried a basket of pink rose petals and a band of pink petals was in her hair. Another cousin of the bride, Darin Lynn Davis, served as ring bearer. Miss Donna Dean presided over the guest book at the reception.

Jerry Muller was best man, Mr. Haddock, and the groomsmen and ushers included Leroy Schafer, Wendell Gobbie, David Muller, Richard Oster and Robert Douglas.

For her daughter's wedding Mrs. Scizglak wore a double knit beige suit, accessories of brown and a corsage of yellow sweetheart roses. The bridegroom's mother chose a three piece knit costume of seasham aquamarine and accessories of the same color. Her flowers were pink roses.

When they return from a honeymoon in southeast Missouri the wedding party will live at 2578 Washington avenue.

The bride was graduated from the Granite City high school and attended Eastern Illinois University in Charleston where she was a member of the home economics club. Mr. Haddock was graduated from a Fortuna, from a high school and attended Humboldt State College in Arcata, Calif. He is employed in Maplewood, Mo.

Mr. and Mrs. Haddock gave the rehearsal dinner Friday evening in First Assembly of God church fellowship hall.

Out of town guests here for the wedding were Mr. and Mrs. Ted Kominak, Mr. and Mrs. John Solits and Mrs. Stanley Dalka, all of Hammond, Ind.; Mrs. Tony Topolski and Miss Carole Topolski of Munster, Ind.; Mr. and Mrs. Henry Walerowicz of Calumet City, Ill.; and Mr. and Mrs. Raymond Bell of Chaffee, Mo.

GCAARC Pack Blue, Gold Dinner

The fifth annual "Blue and Gold" banquet of Cub Pack Two, sponsored by the Granite City Association for Aid to Retarded Children, was held Thursday evening at Lake school. More than 90 were served dinner. Rev. Alfred Buis, pastor of Hope Lutheran Church, offered the invocation.

Among the guests introduced were Mrs. Vivian Dine and Mrs. Laura Horvat, special education teachers in the Granite City school system, and Rollin Henn, vice-president of the Cahokia Mound Boy Scout Council.

Also present was Mrs. Evelyn Gavin, GCAARC president, who told the boys, "the sponsoring group is very proud of your achievements." Pack Two is one of only three Cub Scout groups of its type in the United States and the second one to be founded.

Cubmaster Albert Beedle reviewed the past year's activities, which included field trips, cookouts, educational tours to Scott Air Force Base and a missile site, parties and other special events. He reported that the pack had received a "National Summer-time Award" for holding year-around projects.

Honored by the pack executive for their assistance were Carl Rant, a local businessman, Arthur Menendez, Lake school principal, and Louis Lewright, manager of the local F. W. Woolworth store. Each will receive an appreciation trophy.

A candlelight ceremony was conducted by Frank Kraus for three Webelos who were graduated into Boy Scout Troop Two, also GCAARC-sponsored. The boys are Billy Kopas, Dennis Greathouse and Terry Bellman. Additional youngsters are being sought as new members. Beedle said, along with efforts to expand the pack's program.

During awards ceremony, Mrs. Dorothy Beck was honored with a pin for assisting in pack outings and activities, and Dennis Greathouse presented an appreciation gift from the pack members to Cubmaster Beedle. Service pins were awarded to William Coffey, institutional chaplain, five years; Eugene F. Tondre, pack committee chairman, six-year pin; committee men, Frank Schwalter, seven years; William H. Chilcutt and Paul Van Gilder, one year; Eugene Bellman and Robert G. Hinson, assistant cubmasters, one year; Frank Greathouse, assistant Webelos leader and Beedle, assistant Webelos leader and mothers, and den mothers, Mrs. Betty Schwalter, seven years; Mrs. Irma Beedle and Mrs. Patricia Knobloch, two years; and Mrs. Virginia Tondre and Mrs. Barbara Hinson, one year pins.

Cubs receiving awards, included Dennis Greathouse, and Donald Riddle, three-year pins; Randy Beedle, Billy Kopas and Randy Van Gilder, two-year pins; Michael Beck, Jerry Bellman, James Hinson, Darrell Brannan and Stephen Smith, one-year pins. Donor strips were awarded to Norman Hopper and Danny Gaudette and a den chief braid to Donald Durbin.

VACATIONISTS RETURN

Mr. and Mrs. Otto Roman, East Chain of Rocks road, and Mr. and Mrs. Emil Mueller, 2405 Lynch avenue, returned Thursday evening from a three weeks' vacation in the Rio Grande Valley. They visited Mr. and Mrs. Howard Roman in Mercedes, Tex., and spent some time in Mexico City and other places of interest.

GOP Day Unit Election Quiz

Mrs. Marlene Sorini, president of the Granite City Republican Women's club, presided at a meeting of the club's Day Unit Thursday in the home of Mrs. Florence Medaill, 2610 Hodges avenue. The hostess later was named vice-chairman of the day group.

Mrs. Kitty Morris outlined new redistricting for Illinois and moderated a quiz on election laws. Mrs. Ellen Christie, a new member, excelled in the contest and received a prize.

Hospitality packets and informational material were distributed by Mrs. Helen Thiele, sunshine chairman.

Mrs. Morris reported on a county workshop held last week in Alton, attended by 45 women from Madison, Calhoun, Macoupin and Jersey counties. Local club members participating in the Illinois Federation of Republican Women taught by officers of the club: Mrs. L. J. Serini, Mrs. Vernice Wortman, Mrs. Morris, Mrs. Thiele and Mrs. Barbara Woods.

Sharon Thomas, Richard Burnett Exchange Vows

Miss Sharon Kay Thomas, daughter of Mrs. Kay Thomas, 10000 Delridge lane, St. Louis, and Richard Allen Burnett, 100 Reynolds street, Madison, were united in marriage Saturday afternoon at three o'clock at the Northminster Presbyterian church, with Rev. W. T. Hancock officiating.

The church was decorated with bouquets of mums and green palms.

The Lord's Prayer was sung by the organist and soloist, Mrs. Lorraine Gore.

The bride was attired in an Empire-styled gown with beaded lace top and a detachable train of white organza.

She carried a bouquet of stephanotis intermingled with white roses and centered with a white orchid.

Mrs. Jeannine Tocco was the matron of honor, with Miss Betty Burnett, sister of the groom, and Miss Shirley Stewart as bridesmaids.

They wore red velvet floor-length gowns and carried red velvet muffs. White and red sweetheart roses made up their bouquets.

Russell Burnett, the groom's brother, was best man. John Wiegand Jr. and Peter Tocco were the groomsmen. Vernon Emshoff and Robert Wiltmerman acted as the guests.

A reception followed the ceremony at Santa Cruz Hall. Upon returning from a honeymoon trip, the couple will be at home to friends Monday, 11 at 2578 Sheridan, Bridgeton, Mo.

The bride is a graduate of the Riverview Gardens high school and is employed as a secretary at McDonnell Aircraft Corp. The groom, a graduate of Freeburg high school, is attending Missouri University in St. Louis and is draftsman at Maloney Electric Co.

World Day of Prayer Service Attended by 150 Persons

The annual World Day of Prayer service, sponsored each year by the Quad-City Council of Church Women, was held Friday at Bethel A.M.E. Church in Madison under the direction of Mrs. George Giulia of the Nameless Methodist Church, chairman.

The meeting opened with an organ prelude by Mrs. James Wade, followed by the call to prayer by Mrs. Giulia and the invocation by Mrs. Ralph Mosen, president of the Council of Church Women.

Mrs. Marion Guest led responsive prayer, and Mrs. Giulia spoke on the meaning of the day. The group was led in silent prayer by Mrs. Lewis Kulawski. The choir of the host church sang an anthem preceding the address by Mrs. James C. Craddock on the theme "You Are My Witnesses."

The meeting came to a close with a solo by Miss Vivian Henry and offertory thoughts by Mrs. John Draper. The benediction was pronounced by Rev. Fred H. Oliver, pastor of the A.M.E. Church.

The offering taken at the meeting will go toward training lay persons and professional workers within the United States in changing times. It will also go to training centers and study centers in Asia, Africa and Latin America.

Serving as ushers were Mrs. Donald Cramer, Mrs. Archie Williams, Mrs. Alverta Parnell and Mrs. Robert Finn.

Approximately 150 persons attended the service with 14 churches represented.

Dow Diamonds Elect Officers

The Dow Diamonds, women's organization of the Dow Chemical Co., held a dinner and business meeting Friday evening at Rusty's restaurant in Edwardsville and elected the following officers:

Mrs. Veretta Sattmeyer, president; Mrs. Mary G. Gough, treasurer; and Mrs. Winnie Newkirk, secretary. Mrs. Kay Deering, the retiring president, was in charge at the meeting. Miss Irma Moss was a new member enrolled.

MRS. SHANKS IS GLASS HOSTESS

Mrs. Barbara Shanks, 23 Devon Hill lane, was hostess Thursday to the T.E.L. Class of first Baptist Church.

The hostess, president of the class, opened the meeting, and prayer was offered by Mrs. Virginia Mitchell. Mrs. Virginia Mitchell led the devotional service. After the meeting cake and plans were made for a meeting March 28 in the home of Mrs. Mitchell, 213 East 25th street.

Others attending Thursday's meeting were Mesdames Sheila Bridge, Marie Allen and Shirley Olaxon.

Calling All Home Makers

THE IMPORTANCE OF DECORATIVE ACCESSORIES

These right accessories have become important in giving your home that certain "decided" touch.

While mirrors and pictures are still good standards, the last few years have seen a whole new world of varied accessories really come into their own, and the selection is practically limitless.

But, all accessories must be very carefully and tastefully selected to accent and carry out the general theme and furnishings. And here's one more note of caution: Accessories should be used with discretion and should not give a cluttered look.

However, every home needs some decorative accessories and a tremendous variety of both the usual and the unusual are now available to use with every decor and period.

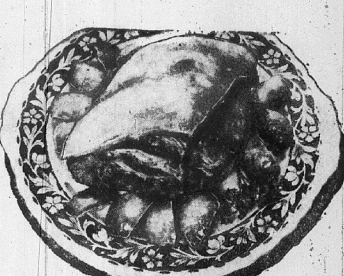

From modern to traditional, and we invite you to come in and let us show you different decorative items and advice.

So, remember, when shopping, our decorating and sales staff here at Friedman Bros. Furn. Co., Niedringhaus and Ave. is always ready to serve you. We are open Monday, Thursday and Friday nights until 8:30 p.m., other nights until 5:30 p.m.

Venice, Warriors Fair Off In Regional Tonight

GC Warriors Place Third In State Wrestling Meet

Possession of the Illinois prep wrestling team title slipped through the hands of Granite City and coach Bill Schmitt as the Warriors placed third in the state finals meet Saturday in Evansville, Granite City was defending a share of the 1963 state title. Waukegan met the meet with 65 points, while Alton Central scored 26 points and Granite City was third with 24 points. Ninety-nine schools competed. The Warriors produced no individual champions, but did place one runner-up, one third place wrestler and one in third place position in individual weight classes.

Bill Fuchs, owning a 35-0 record entering the meet, disposed of his first three opponents handily before losing to Jim Jackson of Aurora West in finals of the 90-pound match.

The junior Granite City was defeated 7-5 in what was described as the most exciting bout of the tournament. Granite City had a 28-1 mark entering the meet.

Fuchs was the 1963 state runner-up in the 95-pound class as a sophomore. This year he finished the season with a 38-1 mark, including 30 pins, for a season and career record at Granite City.

Martinez, third runner-up in the 105-pound class, took third-place honors after losing his second-round bout in the tournament. In the consolation bracket, Martinez bounced back and scored a pin and a decision before deciding Henry Medley on an official's decision in overtime.

Medley had scored a 10-7 win over Martinez to capture the sectional title this year. Martinez finished the season with a 24-4 mark.

Mike Reynolds took fourth place honors in the 112-pound class, scoring two of the biggest upsets of the meet.

Reynolds defeated Alan Gee, Blue Island Eisenhower, 7-4, for the first big upset of the day, after a 2-0 record going into the tournament.

Bob Balthiera of Reavis of Oak Lawn, sporting a 26-0 mark, fell to Reynolds, 4-3. Reynolds, the sectional runner-up, then lost a semi-final match to eventual class champion Gary Cardman of Waukegan, 10-4. Reynolds (4). Waukegan coach Ott Bay

bounced back with a 5-1 decision over Sterling's Mark Delarant and lost to Joe Olafide of Sterling Newman Catholic 7-4 in overtime.

Reynolds ended the season with a 31-7 mark.

Loses In Last 15 Seconds

Lester Robertson, sectional 120-pound runner-up, lost his opening match to Fred McQueen of North Chicago, 3-1 on a take-down in the last 15 seconds. McQueen was the eventual champion in the class and entered the meet with a 29-0 season slate.

Robertson lost his first consolation match to Carl Moore of Rock Island, 3-1, and was eliminated from further competition. Roger Zeman (16-4) of Riverside of Brookfield scored a 5-1 upset over senior Mike Andria in the 133-pound class during first-round action.

Sectional champ in the 145-pound class, Jim Valiotti lost his first two matches and was eliminated from competition. He lost to Stewart Warren (19-3) of Evanston on a 6-0 decision in the first round. In a consolation bout, he lost 4-3 to Bruce Soukup of Moline (21-3) on a take-down in the last 15 seconds.

Robertson finished the season with a 23-9 mark. Andria ended with a 32-21 slate and Valiotti with a 32-3 record.

In placing third this year, Warriors moved from sixth to fourth position in all-time state meet scoring. Only Waukegan, Oak Lawn Reavis and Proviso East of Maywood are ahead of the Warriors.

Rewrite Record Books

Waukegan rewrote the record books with the most points scored in a state meet (65) and the most individual champions (4). Waukegan coach Ott Bay

also set a new record with the help of his son, Mike. Bay has coached three sons to state titles — Rick was 145 champ in 1959 and 154 champ in 1960 and 155; Steve won at 138 in 1961; and Mike won the 165-pound crown this year.

None of the four defending champions retained their crowns in this year's meet. An interesting sidelight pointed out by Warrior coach Schmitt was that Waukegan lost a dual meet, its own Christmas tournament and its own district meet to North Chicago this year. North Chicago failed to place in the top 20 schools of this year's state meet.

Granite City was the only downstate school to finish in the top 20 schools in scoring this year.

Qualify with 104-60 Rout Of Lovejoy

A pair of underclassmen led the Venice Red Devils to a 104-60 rout of Lovejoy of Brooklyn as they won the Venice district basketball tournament Friday and advanced to the Wood River regional.

Playmaking junior Rich Essington and junior forward Jerome McGlone combined to score 63 points, three more than the whole Lovejoy squad could muster against the tough Red Devils. Mart Winston took the opening tip and hit on a jump shot to leave the Wildcats a 2-0 lead. But sophomore Johnny Gardner sank a long jump shot and tied the score at 2-2, and Venice started to run up a 27-11 first-quarter lead.

Essington and Gardner led the Venice quintet with nine and eight points in that period as the Lovejoy man-to-man defense failed.

The Wildcats came out and used a zone defense on Venice, but Essington stretched its lead to 52-23 at halftime.

McGlone Takes Over
McGlone took over in the third period and scored three easy baskets from underneath. He added two jump shots and a free throw to net 11 points in the third period and Venice held a 71-39 margin at the end of the quarter.

Essington and McGlone shared as they clicked for 21 points. It was Essington's pair of free throws that cracked the 100-point barrier with 2:05 remaining in the game.

Lovejoy made a quick comeback, outscoring Venice 13-3 in the last two minutes, but the Red Devils' margin was too much for the Wildcats.

Essington finished the game with 35 points, McGlone netted 28, and rebounding artist Percy Dillon scored 15 for Venice. High scorers for Lovejoy were freshmen Mart Winston and Henry Butler with 13 points each, and Calvin Miller with 12 points.

The game was the 24th win of the season against two setbacks for the Bill Ohlendorf-coached Venice squad.

Although the contest had a fast pace and quick scoring seemed to be the rule, it was marred by turnovers committed by both teams. Venice made a 4-0 run over, and the Wildcats 2-8.

Lovejoy-Marquette Game
Lovejoy gained entry into the final round with a 6-0 win over Marquette of Alton Thursday night.

Starting a 17-15 first-quarter lead, the Explorers found themselves in a see-saw battle for the lead during the period and Lovejoy took a 29-28 lead at intermission time.

Poor shooting hit the Explorers and Lovejoy could not miss the hoop during the third period. The Wildcats poured in 25 points while Marquette managed only nine points, and Lovejoy took a 54-37 lead.

Jay Springman, a 6'6" forward, paced a come-from-behind effort by the Explorers as they closed the gap to 60-50 at one time during the final period of play.

Springman scored 11 of his 18 points in the final period and Marquette seemed able to make a last-minute drive for the win. But foul trouble plagued the Explorers; Springman and playmaking guard Dave Coles were forced to sit out a few minutes with four fouls each. In the last period Marquette outscored the Wildcats, but only by 24-22, not enough to catch up. The Explorers committed 10 personal fouls.

Sweetest Win of Year Comes in 69-63 Verdict Over Belleville

Prep basketball coaches delight in winning games, but none was delighted more than Madison's Earl McClanahan after his Trojans had knocked off highly-rated Belleville 69-63 on the Madison home court Friday.

The Trojans handed the third-rated prep team in the state their fourth loss in 23 games while scoring their 18th win in 24 games this season.

The key to the Madison upset victory, says the strong press used by the Trojans. Playing a much taller squad, Madison scored — breaking the press — and forced Belleville into mistakes and fumbles that resulted in quick baskets for the Trojans.

The Madison quintet jumped to a whopping 11-2 lead before the Maroons knew what had happened. Belleville battled back to trail 17-21 at the quarter and 25-27 during the second quarter, but Madison had pulled away from the Maroons, 41-33, at halftime.

A strong locker-room talk during the intermission by Belleville coach Jerry Turner failed as Madison continued to pull away from the Maroons during the third period, which ended 69-63.

The tallest man on the Trojan squad, 6'2" Paul Lusk, was sitting on the bench during the last part of the third quarter and first part of the fourth period with four personal fouls.

He eventually fouled out with two minutes remaining in the game. He led the Trojan attack with 16 points as four Madison players hit in double figures. Six played for Madison in the game. Area scoring leader Dale Turner was double-teamed but still managed to net 15 points, and ball-handler Ron Burr also scored 15 points for the Trojans.

The younger half of the Lusk combination, Gary, popped

The only reliable antidote for hard luck is hard work.

Madison Plays Wood River Tuesday Night

Venue meets Granite City tonight at 8:30 at Wood River in first-round action of the regional basketball tournament.

The Red Devils will take a 2-2 record and the Venice district championship into the game, along with two of the area's leading scorers — Percy Dillon and Rich Essington.

Granite City will take a 14-1 record, the playmaking abilities of Larry Ripka, another of the area's top ten scorers, and the magic that has made the Warriors one of the most improved clubs in the area.

Venue won the right to advance to the regional by routing Lovejoy 104-60 Friday in the Venice district tournament.

Both coaches—Bill Ohlendorf of Venice and Ralph Sackett of Granite City — agree that the other has a fine ballclub and is a danger to the others' tournament title hopes.

A red-headed senior guard, Ripka has been instrumental in leading the Granite City attack through the season and currently sports a scoring average of 17.2 points per game.

Soltering the Warrior attack will be sharpshooting Jim Hentzel, with his 14 points-per-contest average, and junior pivotman Terry Moore (6'4") with his 12.7 average.

Forward Elmer Wortham leads the Warriors in rebounding with an average of 6.1 per game, while Moore pulls off 5.7 a contest.

Venue also has a pair of high scorers in Dillon and Essington. The 6'1" senior rebounding artist, Dillon, has been averaging 17 rebounds a game and sports a scoring average of 19.2. Essington and McGlone are averaging 18.7 and 15 points.

In the preliminary game tonight, Collinsville (defending state champion) will meet Roxana's Shields. On Tuesday night, Madison tangles with host Wood River and Alton plays Edwardsville at 8:30. The Madison-Oiler game begins at 7 o'clock.

Two Teams To Beat

The Kahoks and the Trojans are the two teams to beat in the regional, and they are rated that way—Collinsville is the top seeded team, and Madison is the No. 2 seeded team.

Madison, however, may get stiff competition in the lower bracket from the winner of the Alton-Edwardsville contest.

In their two earlier games the Tigers and Redbirds have met this season, the Edwardsville Tigers won by four-point margins 60-59 and 82-78.

Madison did not play Alton during the year, but did face the Tigers at Edwardsville and lost 78-64 as the Trojans found trouble in their shooting accuracy.

Since the Madison quintet has regained the services of Paul Lusk, 6'2" rebounding artist Steve Geroff, a 6'1" forward, will be absent from the Madison lineup due to a badly sprained ankle received in the last Calhoun game.

Madison Starters

Earl McClanahan will probably start all-state candidate Dale Turner, Paul Lusk and Gary Lusk, and the other positions will not be decided until nearly game time, according to the Trojans' mentor.

Wood River will count on the 6'7" frame of Jerry Harrison for scoring strength. Against the Granite City Warriors recently, Harrison used his height to net 16 points in the first period.

The Oiler's primary plan of attack is to let their guards to toss

Competition Saturday for 400 Youngsters

More than 400 youngsters basketball age representing nine cities will take part in the First Southern Illinois Recreation Day in Wilson Park on Saturday.

The day is sponsored by the Southern Illinois Parks and Recreation Association.

Scheduled activities will include tournaments in basketball, bowling and table tennis, along with individual competition in bowling.

Cities represented will be Centralia, Alton, Roxana, Highland, East Alton, Wood River, Carbondale and Granite City.

Action in the high school boys' basketball tournament gets underway with Centralia meeting Alton at 9:30 a.m. in the Prather gym.

Also scheduled in the first-round action are Roxana vs. Highland at 10:30 at Prather; Granite City vs. East Alton at 10:30 at Coolidge; and Wood River vs. Carbondale at 11:30 at Coolidge.

The Holland Asphalt team will represent Granite City in the tournament. The teams will be composed of high school boys not out for varsity basketball in their local schools.

The championship game will be played at 2:30 p.m. at Prather with semi-final games preceding the final match.

5th, 6th Grade Tourney

Granite City will face Alton at 9:30 on the No. 1 court at Coolidge, and Highland will meet Carbondale at 9:30 on the No. 2 court in first-round action.

Freeman Sets New Scoring Records

It took three years of tough Big Ten and collegiate competition to do it, but Madison's Don Freeman has set two major scoring marks at the University of Illinois.

The 6'3" former All-State center, now captain of the Illinois basketball team, has rewritten the record books in two departments, via a 35-point performance in a losing cause at Minnesota Saturday.

He has scored a record 574 points so far this season, erasing John "Red" Kerr's mark of 556, set in the 1954 campaign. Freeman also rewrote the record book with a new high of 1385 points in his three years. Dave Downey previously held that record with 1360 points in the years 1961-23.

Freeman has one collegiate game remaining this year, and that is against Iowa at Champaign, where he will be honored on a special "Don Freeman Day."

"I haven't been able to shake this case of flu yet, and I still don't feel too good," Freeman said Sunday.

When asked about the records he replied, "I really don't know what to say. They tell me I've broken them, and I feel good about it."

MORE ABOUT

Madison Plays

the ball to Harrison. He either puts it off or feeds it off for a shot by another player.

McClanahan will probably use the same tactics that Granite City's Ralph Sackett used in stopping Harrison after the first period.

Sackett had his defensive guards meet the Wood River guards and cut the chances of the high pass to Harrison. The plan worked and Harrison was held to two points during the final period of play.

Jim Bailey, sharpshooting 6'4" forward supports Harrison on the boards and in the shooting department.

Alton vs. Tigers

For the Alton Redbirds, Jim Campbell, Rodney Spooner, Kevin Schwartz, Greg King and Bob Gruver probably will be the starting lineup against Edwardsville. The Tigers will counter with Leon Moore, Tom Yates, Jim Jackson, Terry Deaton and Fred Crook for their starting five.

Wednesday's schedule for regional play will have the winner of the Collinsville-Roxana game playing the winner of the Granite City-Venice contest at 7 p.m., and the survivors of the Madison-Wood River match meeting the winner of the Edwardsville-Alton game at 8:30 p.m.

The winner of the Wood River regional will face the winner of the Belleville-Alton regional at the East St. Louis sectional the following week.

Seven teams are entered in the girls' volleyball tournament to be held at the Community Center, with Granite City meeting Centralia in the opening game at 9:30 a.m. East Alton faces Highland at 10 a.m. and Wood River meets Roxana at 11 a.m. Centralia drew a first-round bye and will automatically advance to the semi-finals.

Semi-final action will begin at 1 p.m. and the championship game is slated for 2 p.m.

The table tennis tournament also will be held at the Community Center. Granite City meets Roxana at 9:30, East Alton faces Highland at 10, Centralia and Wood River tangle at 10:30, and Carbondale takes on Alton at 11 a.m.

The championship match is scheduled for 2 p.m., with semi-final contests held at 1 p.m.

Awards to be given

Ribbons will be given to champions, runners-up and third-place winners in each event. A traveling trophy will be presented to the city that scores the most points in the all-around competition.

Points will be awarded on a basis of five for first, three for second and one for third.

According to Sup't. of Parks and Recreation Harold Brown, this is the first such recreation day of its kind, and another will be planned for the summer months.

"This is a great thing for the kids. It gives them a chance to make a trip and compete against other teams and children of their own age group and playing ability," Brown said.

year, as the rest were from Chicago or its suburbs.

"Both coach Whitaker (Wall, assistant wrestling coach) and I are proud of these boys and we got a lot of mileage out of them. To use of one Jim Morrison's phrases, 'We got 100% from each of them, and they were happy,'" Schmitt said.

Schmitt also said that this year's group of six qualifiers from Granite City turned in a better effort than the state championship team did in 1965.

Reavis of Oak Lawn, which shared the 1965 crown with Granite City, tied for 33rd place with Edwardsville with four points, out of record number of 39 schools participating.

Other area schools and their final point totals were Lincoln of East St. Louis, 1; East St. Louis 1 and Wood River 0.

(195-pound class)—Bill Fuchs (GC) defeated Art Metzger, St. Charles, 4-0; defeated Herman Bowman, St. Charles, 4-0; defeated Rick Castro, fractional North of Columbia City, 7-0; lost to Jack Anderson, West, 7-0.

Quality With
and Lovejoy sank 13 of 19 free throw attempts in the last quarter.

Neither team shot well from the field or the charity stripe. Lovejoy committed 17 turnovers, while the Explorers made 13.

Both teams took advantage of the fast break and the long toss of the ball to try for the score, but the fast pace of the game slowed down in the final period as the players tired.

Marquette finished its season with a 12-9 record, while Lovejoy ended with a 9-6 mark.

OLD POST OFFICE letter and general delivery windows which had been familiar to many thousands of Granite Cityans in past decades which will be a thing of the past when the building is razed next month. Inspecting the fine old wood paneling are Barry Loman (left), president of the Granite City park district which will acquire the property, and Frank Rea, park secretary.

Razing of Post Office Leads to Much Nostalgia

The razing of the old Granite City post office marks the passing of an era and has caused a wave of nostalgia among many residents, including even some who once referred to it as "an old eyesore."

Wrecking of the 54-year-old structure is to be started Tuesday or Wednesday, depending upon the weather, by the A. H. Seebold Co., and should be completed in about two weeks. The building served generations of Granite Cityans since it was dedicated in 1912, and it is the people who provided it with its history.

Eight postmasters headed a staff which delivered the mail every day, delivering messages of joy and sorrow, as well as other types of communications. Thompson First Postmaster J. W. Thompson was the postmaster when the building was dedicated. He was appointed effective July 3, 1908, and was succeeded on June 13, 1913, by William Champion.

Among the chiefs of staff was a postmistress, Mrs. Marie Eisenmayer, who replaced Champion on April 1, 1927. Champion had served 14 years in the office, longer than any other individual.

The other postmasters were Charles G. Sowell, appointed June 1, 1932; Carl T. Hewson, Jan. 1, 1945; William Johnson, June 1, 1954; Eugene Nelson, June 1, 1957; and W. T. Overbeck, June 28, 1957, the current Granite City postmaster.

Souvenirs of Past
Much interest has developed in obtaining souvenirs of the old building, but the Seebold firm has said none will be available during the razing process.

Mrs. A. H. Seebold said it would be too expensive to remove intact some of the wood paneling, furnishings and other attachments.

But those who wish to do so may take out their own special insurance policies, obtain a lawyer and confer with the company attorney.

Sorting Cases, Lock Boxes
The building is still structurally sound, and some of the old furnishings abandoned there are in good condition. Included are mail sorting cases, heavy bronze doors to the old post office lock boxes, and items of furniture.

One man asked if he could remove the old radiator. The furnace is still in good condition, and a wheelbarrow setting next to it is filled with coal. About five tons of stinking coal remain in the coal bin.

Granite City residents soon will be without a familiar landmark but will have an attractive downtown park. Pigeons will lose a home, but songbirds may gain a sanctuary.

Runs Stop Sign, Mishap
Robert P. Thierry, 2325 W. Sherman avenue, was charged with running a stop sign after his auto collided with one driven by Ronald Stocking, 2222 State street, at 3:45 p.m. Thursday at 25th street and Edison avenue. He was summoned for a hearing by March 10.

MAIL SORTING RACK formerly used at the old Granite City post office which is due to be razed soon is still in excellent condition while in storage in the basement of the old building. The case and other items which may be valued as souvenirs are being inspected by Loman and Rea.

Alert Scoutmaster Douses Flames

An alert and quick-moving Boy Scout troop scoutmaster was credited with saving the home of Mrs. Garnet Campbell, 3009 Edgewood avenue, from extensive fire damage Friday morning.

He is Edward Yates, 1837 Bremen avenue, who was at work as an electrician nearby, and saw flames going up the outside of the house.

He obtained a hose, hooked it to a faucet next door and extinguished the flames before firemen arrived. About eight feet of paint on the house was blistered. A bush growing next to the house became ignited, apparently from a live cigarette flipped by a passerby. No estimate of the loss was listed.

An appreciative Mrs. Campbell said the entire home could have been lost. Yates is scoutmaster of the First Presbyterian Church troop.

Firemen responded to four minor alarms Thursday afternoon and evening.

A power failure at the National Lead Co. steel packing division, 15th and State streets, occurred at 3:30 p.m., causing the sprinkling system to go on. The water ruined the ADT system, but the alarm sounded at the fire station. Firemen were turned back at the gate.

There was a rubbish fire in a field at Maryville road and Terminal avenue at 12:55 p.m., a weed fire at the drainage ditch at 2804 Sunset avenue at 8:20 p.m., and another rubbish blaze in a vacant lot at 15 Terrace lane at 2:30 p.m.

\$9500 Suit Filed in GC Motorbike Mishap

A damage suit for \$9500 has been filed for Richard Price by his next friend, Howard Huffman, against Richard Spurrier of Granite City as the result of a traffic accident on April 25, 1965, on Niedringhaus avenue at State street.

The complaint states that Price was operating a motorbike on Niedringhaus and collided with an auto driven west by Spurrier, who was attempting to make a left turn onto State. Negligence was charged, and Price alleges he suffered severe injuries.

Hit-and-Run Accident

The left front of an auto driven by Beulah Outley, 1727 Fifth street, Madison, was struck by a hit and run car as both were headed north on Rock road at West 20th street Friday afternoon.

Centennial Celebration Being Planned by SIU

Southern Illinois University has adopted as the theme for its forthcoming centennial observance "The role of the University as a creative force in society."

The University board of trustees in June 1963, designated the five-year period, March 9, 1969, through July 2, 1974, for observance of the centennial. The first date marks issuance of the charter of the second marks assembly of the University's first class of students.

President Delyte W. Morris told the board during a meeting Thursday at the SIU-SW Campus that Research Professor R. Buckminster Fuller has agreed to serve as honorary chairman and Professor Charles D. Tenney, vice-president for planning and review, will serve as general chairman.

During the five-year centennial period Morris said the university plans not only to review the past

\$100,000 Suit Filed

Against N&W Railroad

A \$100,000 damage suit has been filed against the Norfolk & Western yards in Madison county circuit court.

The complaint alleges that Billbruck suffered severe injuries when he and another employee were lifting the bridge on a ramp used in loading "piggy-back" cars. He charged negligence in that the ramp was defective and unsafe, that the company failed to furnish safe equipment and a safe place to work, and failed to furnish sufficient help to lift the bridge.

Girls present were Cynthia Arnold, Debra Biggs, Jennie Duncan, Nancy Miller, Gwendolyn Phillips, Teresa Kash, Deborah Williams, Marsha Ren and Karen Ebrecht.

Den Two of Cub Pack 98 met Wednesday evening with Mrs. Margaret Cuvar. The meeting opened with the den yell, and the boys discussed George Washington.

Plans were made for the "blue and gold" banquet, games were played and Robin Baker rehearsed a reading. Refreshments were served to Paul Cuvar, Robert Siska, Mike Ren, Robin Miller, Bob Miller and Mike Sanders.

Den Four of Cub Pack 98 met Wednesday with Mrs. Helen Mae Bittick. The girls Newberry, worked puppets, sang, learned to square dance, discussed plans for a court of honor next Friday and closed with a song.

Phony Quarters Used

George Adams, St. Louis, owner of an automatic car wash at Fourth street and Broadway, Venice, reported to police Sunday that an increasing number of slugs, the size of a quarter, are being used in the equipment. The slugs appear to be precision made and are chrome plated. He said he will make a report on the matter to the Federal Bureau of Investigation.

with the den yell, and John Strong told a story to the den.

The boys practiced for the "blue and gold" banquet, made game mats and closed with singing of "Taps."

Refreshments furnished by Mrs. Strong were served to Frankie Newberry, Donnie Easley, Leslie Lewis, David Homberger, Kenny Siebert, John Strong and Billy Graves.

Continue Talks On Bus Drivers Pact

Negotiations were continuing today in an effort to settle a contract dispute between drivers and maintenance workers and the B. & S. Transit System. The present contract with the workers, members of Amalgamated Transit Union Local 788, expires at midnight today.

A proposed new three-year contract was rejected by the employees Thursday night by a vote of 913 to 702. The rejection came as a surprise to transit company officials since it had been endorsed unanimously by the union's executive board.

The new contract would have provided a wage rate increase totaling 33 cents per hour in five steps over a three-year period. The wage increase along with other improvements in working conditions and employee benefits would cost the transit system

Attempted Burglary

Virgil Honeycomb of Virgil's service station, 29th street and Madison avenue, reported about 7 a.m. today that a window in the rear of station was pried during the night in an attempted burglary. The frame on the screen window was broken and the inside window was raised about two inches. There was no entry.

No New School Filings

A check with the Venice, Madison and Granite City boards of Education today noted no new filings for school board positions this week. Filing periods opened last Wednesday and will continue until March 19.

between \$450,000 and \$500,000 per year, officials said. They have received no notice from the drivers and maintenance workers of an impending strike.

27th-Madison Accident

An auto driven by Ernest Hillmer, 732 Twenty-eighth place, skidded into the rear of a car driven by John Schall, 911 Lee avenue, Madison, who had stopped for traffic on Madison avenue at 27th street at 6 p.m. Sunday.

Plans for the annual Nameoki town board meeting April 5 were made Friday night during a meeting of the executive board of the Committee for Economic Improvement at the home of Mr. and Mrs. Michael Ropac, president.

PINOCHLE CLUB HONORS MRS. RYAN

Mrs. Harriet Hoff, 1645 Moro avenue, entertained members of her pinochle club Thursday evening for a monthly meeting in her home. Guests were Mrs. Eva Shepard and Mrs. Thelma Schmidt.

Mrs. Edith Ryan was honored on her birthday and received a gift from her secret pal. During the evening's games, prizes were awarded by the hostess to Mrs. Juanita Rosenberg, first; Mrs. Edith Ryan, second; and Mrs. Mary Lou Clausen, third.

A luncheon was served by Mrs. Hoff to her guests, the prize winners and Mrs. Lorraine McIlvoy and Mrs. Catherine Hommer. Mrs. Clausen invited the club to meet in her home, 3116 Edgewood avenue, for the March 29 meeting.

HOMEMAKERS UNIT CELEBRATES BIRTHDAY

A birthday dinner for the Isabel Bevier unit of the Madison County Homemakers Extension Association was held Thursday evening in the home of Mrs. Edith Ross, 11 Terrace lane, with two guests present, Mrs. Mary Hardin of Portage, Ind., and Mrs. Fannie Buckley of Edwardsville.

The dinner was to celebrate the 22nd year of the unit, and was prepared in Pennsylvania Dutch fashion.

The meal was prepared by Mrs. Lucille Lipe, Mrs. Lillian Adams and Mrs. Lillian Ruebhausen, and the menu consisted of chicken and noodles, peas and butter, hot potato salad, a hot Dutch slaw, "funny" cake, rhubarb custard pie, cheese cake, and Dutch doughnuts baked by Leo Lipe.

Decorations were by Mrs. Lipe and Mrs. Norma Jean Ross and consisted of Dutch hexagonal of the type used by the Dutch on their barns to "scare away witches." A large basket of tulips served as centerpiece on the serving table.

The chairman, Mrs. Norma Jean Ross, presided. Roll call was answered by the members with Dutch sayings or explanations of Dutch food.

Mrs. Lipe, Mrs. Duebhausen, Mrs. June Hubert and Mrs. Irene Davies gave a report on their trip to Urbana in January. It was announced that the unit will serve a luncheon to Farm Bureau officers at the Farm Bureau building in Edwardsville March 23.

Mrs. Ruebhausen gave the selected subject lesson on "Magazines for the Family." Mrs. Catherine Mauck, home advisor from Edwardsville, will give the lesson on "Before and After 40" during the next meeting March 24 in the home of Mrs. Edith Murphy, 3009 Washington avenue.

Also present were Mesdames Eleanor Barnhardt, Angie Brown, Mary Chesney, Marilyn Deatherage, Myrtle Hickman, June Hubert, Lorraine Joshua, Dolly King, Margaret Todoroff, Ted Waller, Doris Wilson and Karen Richardson.

CHURCH CIRCLE MEETS
The Nameoki Presbyterian Church Afternoon circle held a monthly meeting Thursday afternoon at the church with three guests present, Mrs. Ruth Todd, Mrs. Ruth Hauser and Mrs. Mary Lou Lybarger.

The lesson was given by Mrs. Betty Flinn, entitled "Jonah on Shipboard," and Mrs. E. R. Tucker substituted for Mrs. Mary Stegel in giving missionaries of the day.

The circle chairman, Mrs. Tucker, conducted the business meeting, receiving reports from Mrs. Louise Anderson, Mrs. Edith Simpson and Mrs. Betty Flinn.

Announcements were made of a quarterly association meeting March 14 at the church; films of the Holy Land will be shown. An executive board meeting will be held at the church March 1.

Next meeting of the Afternoon circle will be held March 24. Mrs. Gertrude Schnyder will give

MILITARY FUNERAL SERVICES Friday morning at St. John's Cemetery for a Vietnam war hero, Sp4 David L. Fisher, 21, of Mitchell (inset), who was killed in combat Feb. 15. He is the son of Mrs. Bertha Louella Fisher. The military escort, with bugler and firing squad, was furnished by the 583rd Engineer Group of the Granite City Army Depot.

the lesson, "Jonah, in the Fish." Hostesses for the month were Mrs. Anderson and her mother, Mrs. Ellen Westerbeck. Others present were Mrs. Mildred Veener and Mrs. Violet Monahan.

OAKLAWN CLUB MEETS
The Oaklawn ladies' club met Wednesday afternoon in the home of Mrs. Leo Anthony, 29 Oaklawn drive, with Mrs. John Ritchoff as co-hostess for the monthly meeting.

A dessert luncheon was served by the hostesses, using pink and yellow candies in crystal candle-labra and pink flowers as centerpieces on the serving table.

Games were enjoyed and prizes were awarded to the winners by the hostesses, Mrs. Irene Louis, Mrs. Joyce Matson, Mrs. Ruth Malott, Mrs. Peggy Belcher, and Mrs. Laura Rousseau. Others present were Mesdames Nettie Miner, Betty Mathias, Marie Plese, Bernice Willard, and a d

The next meeting will be March 23, when the hostesses will be Mrs. Judy Bailey and Mrs. Ruth Malott.

ENTERTAINS CLUB
Mrs. Becky Parish, 3032 Washington avenue, entertained mem-

bers of her canasta club Wednesday for a semi-monthly meeting.

The evening was spent playing capasta, and prizes were awarded by the hostess to Mrs. Veilmae Tucker, first; Mrs. Mary Hogan, second; Mrs. Charlotte Jercenovich, third; and Mrs. DeArle Smart, floater prize.

Mrs. Parish concluded the evening with a luncheon served to the prize winners and Mrs. Becky Parish, Mrs. Marie Naeve, Mrs. Carmen Allen and Mrs. Verlyn Vollmer.

Mrs. Vollmer invited the ladies to her home, 1521 Pontoon road, for the March 8 meeting.

Injunction Suit Filed Against SIU Taxation

Southern Illinois University claims that George Musso, county treasurer, is threatening to collect taxes on a number of tracts owned by the university at the southwestern campus, it was learned Friday. SIU has filed an injunction suit to restrain him from taxing the property or selling parcels of land at tax sales. The SIU board of trustees and the SIU Foundation, listed as owner of the property, allege that it is exempt from taxation. The university seeks to restrain the treasurer, as tax collector, from assessing or collecting taxes on any of the real estate and asks the court to declare null and void sales of six tracts of property and to confirm that the property is not subject to taxation. Defendants are Interstate Bond Co. of Chicago, M. T. Inv. Co. of Edwardsville and Ralph Laken of Alton, each of which purchased two tracts for taxes in 1962, 1964 and 1965.

Man Drops Car Radiator

Brownie Troop 75, sponsored by St. Elizabeth Altar Society, held a weekly meeting Wednesday afternoon in the school cafeteria with Lauren Gubser, Elaine Belfue and Robin Muller leading the Brownie promise and pledge of allegiance.

The girls divided into three groups and started making match holders, pin cushions and decorated soap. A game was played and the meeting closed with singing.

Also present with the leader, Mrs. Helen Gubser, and co-leaders, Mrs. Shirley Schilling and Mrs. Mary Belfue, were Brownies Mary Kay Becher, Patty Barbiere, Judy Carroll, Jackie Dorth, Ann DeRuntz, Tina DeMott, Patty Drew, Jennifer Dutsch, Mary Lou Fahy, Marianne Friederich, Karen Horn, Debbie Knackstott, Sharon Koesterer, Carolyn Lucy, Karen Marcum, Lauri Morris, Sherrie Marcum, Cynthia Pates, Mary Beth Powderly, Lisa Reznack, Marie Stephens, Denise Selinger, Anita Summers, Rene Schmidt, Connie Sudholt, Cindy Schwager, Dorothy Miller, Lynn McCoy, Mary Catherine Boyer and Katie Miller.

MIRIAM GROUP MEETS

The Miriam group of Central Christian Church held a monthly meeting Wednesday evening at the church with the president, Mrs. Mary Bilbrey, opening the meeting. The lesson, "The Nature of Our Calling," was reviewed by Mrs. Elma Craddock and the worship was given by Mrs. Gladys Crowscroft.

It was announced that the group will hold its next meeting to the CWF general meeting March 3 at the church.

The meeting ended with refreshments served by the hostess of the month, Mrs. Gladys Wyatt, to those named and Mesdames Helen Laster, Ruth Squires, Blanche Lane, Florence Temple, Dorothy Brokaw and Nell Johnson.

For the March 30 meeting, the hostess will be Mrs. Craddock and the lesson will be given by Mrs. Wyatt.

Dens One and Two of Cub Pack Seven, sponsored by St. Joseph school, held a weekly meeting Wednesday afternoon in the home of the den mother, Mrs. Virginia Kirtel, 1741 Maple street, opening with the Cub promise and pledge of allegiance in unison.

The boys read about the "Knights of the Round Table," theme for March. At next week's meeting, they will start making armor.

Refreshments were provided by Mrs. Timko and Mrs. Mikolajczak for Frank Kirtel, Mark Danheiser, Brian Grobolski, Michael Kirtel, Ronald Marler, Robert Timko, John Vasiloff, Anthony Bielewicz, John Mikolajczak and a guest, Teddy Marler.

Den One of Cub Pack 22, sponsored by Frohardt school, assembled Wednesday afternoon for a weekly meeting in the home of the den mother, Mrs. Mary Sikes, 2319 Emerson street. Flagbearer for an opening flag ceremony was Bobby Wallace.

The boys spent the afternoon working on stickcraft. They are making banks and airplanes out of popsicle sticks. Refreshments were enjoyed by Tony Welch and Cubbs Greg Gauen, David Lind-

say, Alan Milton, Daniel Schmeibauer, Joe Marie DeKunz, Paula Niebur, Gayle Pfaltz, Jan Morris, Cathy Butch, Annette Niemeyer, Janet Jakich, Mary Ann Bury and Patricia Hitt.

The meeting was opened by Mary Claire Beatty, who led the girls in the Brownie promise. After working on sit-ups, the girls ended the meeting outdoors playing "hop-scotch" and "tag."

MARVILLE BROWNIES LEARN OF INDIA

Brownie Troop 889, sponsored by Marville school, met Wednesday afternoon for a weekly session at the school, with the promise opening the meeting. Roll call and Brownie goal were collected.

A guest, Mrs. Rama Patel, and her daughter, Smita, who are originally from India, told of the story of the Sari, a traditional wearing of the Sari, using a Brownie as her model. The Sari is a long piece of cloth, usually red or blue, which is worn around the waist and draped over the shoulders.

Refreshments were served to the girls by the leaders, Mrs. Myra Parrish and Mrs. Nancy Mercer, for two new Brownies, Barbara Shrum and Cheryl Strickland. Their mothers, Mrs. Roberta Strickland and Mrs. Nancy Shrum, were guests for the afternoon.

All the girls received registration cards for next year and the leaders announced Thinking Day Sunday at the Madison recreation center.

Refreshments were served to the girls by the leaders, Mrs. Judith Lane, Linda Bennett, Betty Doroshazi, Rebecca Flanagan, Sherrin Harned, Donna Horn, J. Anne Lomax, Tamara Mertz, Judy Parrish, Kerry Wheeler, Rene Williams, Lisa Groot-huis, Carla Kinney, JoAnn Meyer, Paula Orr, Percy Hardis, Jackie Pabushik and Barbara Kallipung.

Bid Opening Planned For New National Store

Bids for construction of a new 20,000 square foot building for National Food stores along Nameoki road between Madison and Iowa streets are to be opened next week. The firm now operates a store in the 2300 block of Madison avenue.

Harold Karandjeff, one of the owners of the 100,000 square foot tract, said start of construction is expected to start within six weeks after the bid opening.

Plans call for the huge store to be one of the first super markets in this area to feature a complete drug store in the same building. The building will have 125-foot frontage along Nameoki road and 160 feet along Madison avenue.

Bowman Speaks at Two Area Churches Sunday

Capt. Louis Bowman, chief investigator for the Madison county sheriff's office and a Democratic candidate for nomination for county sheriff, opened a series of talks on crime before church groups in the Quad-Cities yesterday.

Talking on a serious increase in crime in the county, juvenile delinquency and drug addiction, especially among youths, he spoke at 6 p.m. at the First Methodist Church in Madison and at 7:30 at the First Baptist Church in Venice. Bowman said he would welcome invitations to speak on the topics before other church, civic and fraternal organizations.

Highway Collision

Slowing to avoid a truck that had overturned onto the median strip of Highway 66 a mile north of Route 162 seven hours earlier, the southbound car of Gerhard Aho, Springfield, Ill., was struck in the rear by the auto of Reginald Lindsey, Decatur, at 10:15 a.m. Sunday.

The children took part in games and prizes were awarded. The party was held in basement which was decorated with balloons.

MARTIN-HARPER WEDDING SATURDAY

Wedding vows were exchanged Saturday at 11 a.m. at the city hall of Granite City by Josephine A. Harper, Madison, and George E. Martin, 2213 Mirabelle avenue, Judge Andreas Mateosian officiated.

Attendants were the groom's brother-in-law and sister, Mr. and Mrs. Howard Panton, 2927 Buxton avenue, a luncheon for the wedding party followed at Augustine's restaurant. The couple will reside at the Mirabelle avenue address.

Seat Belt Enforcement Starts at Midnight

State police are ready for a midnight enforcement of the state's new compulsory seat belt law, it was learned this morning from Capt. Emil Toffant of the 11th District, Capt. Toffant telephoned Springfield mid morning to determine if rumors of a relaxation of the law were probable. He was told that enforcement is to go on as scheduled.

Seat belt sales have soared, and several local auto supply dealers said today their supplies were nearly exhausted. Owners of 1961 and later model cars must have two serviceable seat belts for their front seats by tomorrow.

tion of the duplex dwellings prior to occupancy would be withheld by village officials until a satisfactory solution could be determined.

G. Schikham, a Lakeview Estates resident, stressed that the present septic tanks are overflowing and drainage problems are being caused. "Can you imagine what's going to happen to us over there if two families move into each of the new duplexes?" he asked. "Now we have family dwellings presently are in various stages of construction in the subdivision."

In presenting their complaints to the trustees, individual homeowners said that on numerous occasions septic tanks overflowed, creating health hazards. One resident reported having his septic tank cleaned each month.

John Tanner Sr., a Lakeview home owner, said that his septic tank backs up into the basement of his house once a month and that he believed such was up to the subdivision to correct the situation.

Board Gets Test Report
In the petitioning report, Sheppard, Morgan and Schwab Engineering Co. stated that results of test drillings made earlier this year showed that an average 70x120-foot lot in the subdivision was suitable, at most for a three-bedroom dwelling. Absorption tables and technical data accompanied the written analysis, which were turned over to the board.

When questioned extensively about zoning ordinances and building codes regulating new structures in the area, Sheppard said that many of the homes within the subdivision were built prior to annexation of the area into the village. He added that new homes built since annexation have been inspected by Clarence Huggins, village building inspector.

County Zoning Prevails
Queries were made into the validity of a beauty shop recently established in a residential area and the parking of a trailer adjacent to another home. Staicoff said the absence of a village zoning ordinance places responsibility for zoning regulations with the Madison County Zoning Commission. He said that no permit had been issued by the village to the person operating the beauty salon and referred the question of legality to Village Atty. William Schooley.

A laagoon-type sewer system nearing completion in the Quiet Valley subdivision was explained by Staicoff, who said the chemical treatment system is being constructed by the tract developer and would be turned over to the village to operate as a public utility.

It was suggested the proposed citizens commission contact the Tri-City Port Authority to determine if any sewer plans for the new 9000-acre industrial park development might benefit the village.

Other Complaints
Other complaints registered with the board, including firing of shotguns adjacent to homes in the Lakeview area, condition of roads within the subdivision, and lack of speed controls and street signs.

Trustees authorized the attorney to request permission from the Department of Highways to construct a new access road into the Lakeview Estates from Highway 111. Presently, only one roadway leads into the subdivision.

Infant of 2 1/2 Months Dies at Home Sunday

Allen Lynn Tooloose, 2 1/2-month-old infant of Mr. and Mrs. Lynn Tooloose, died at home at 11:15 p.m. Sunday.

Cause of death was not immediately determined, although the child had been under treatment for a severe cold.

In addition to his parents, the child is survived by a brother, John, and a sister Jo Ann, 3 1/2 years old. Funeral arrangements are given in today's obituary column.

Headlights are set for March 9. A March 16 hearing is set for John Thomas Hackney, 19, of 622 Broadway, Venice, charged with using a false draft card and altered driving license to obtain beer at Ralph & Charlie's at 12:30 a.m. Sunday.

Vacant House Burns
A condemned vacant house at 726 Twenty-eighth place burned down at about 7 p.m. Sunday. It was to be torn down soon. The owner was unknown, and the cause of the fire was undetermined. No estimate of loss was made.

The Great Sycamore Mystery-- Tree Damage Detected Here First

The following article on Quad-City sycamore trees is a reprint of the February 1966 issue of "The Illinois Natural History Survey Reports." It is reprinted by permission of the Illinois Natural History Survey, Natural Resources Building, Urbana.

In 1961, Grover J. Norwood, science teacher at the high school, called our attention to serious losses of sycamores in the streets of Granite City.

Investigating the problem, Survey plant pathologists E. B. Himeleck and Dan Neely discovered the death of the sycamores was preceded by symptoms answering no known disease of the species.

Scorched Foliage

First symptoms are a scorching of the foliage in upper branches or over the entire top of the tree, followed by the appearance of long cankered areas on the upper branches extending back to the trunk.

Subsequently, the cankers extend down the trunk to the ground.

Trees die two or three years after the scorching first appears.

Smoke Ties Eliminated

At first, smoke damage was blamed. But the canker production soon suggested that a parasitic fungus was the cause of the disease.

Smoke as a factor was definitely eliminated when surveys showed that the disease occurs along the Mississippi from Chester to Granite City, along the Wabash from Shawneetown to Mr. Carney, and in occasional towns through the central part of the state.

Isolation tests of diseased trees have now narrowed down the search for the causative fungus to two suspects. Tests are coming year should definitely establish which of these is the primary cause of the disease.

Dr. Himeleck has evidence suggesting that the disease occurs also in Kentucky and Missouri.

He points out that it is primarily a disease of American sycamores, and that London plane trees, which are very close relatives, are seldom attacked and seem to be less susceptible to the disease.

Because sycamores have been planted so profusely in Illinois and the death of them, this new sycamore disease should be quite destructive to city plantings.

Dr. Himeleck and Dr. Neely are watching its spread closely and trying to find how the disease invades healthy trees.

New Sport-Jumping to Conclusions

(Alton Evening Telegraph)

Professional athletes who expressed shock and surprise when James Hoffa made public a plan to make good little Teamsters out of linemen and backliners really are more bemused than astonished.

If Uncle Jimmy's cackled concoction had dropped up at another time, maybe it would have rated more than a yawn and a passing comment.

But professional athletics has become a bit jaded in recent months, what with all the sound and fury over extravagant football contracts and dissension among veteran players--and the Civil War being fought--and sports strikes the 100 per cent Atlanta.

Uncle Jimmy picked a bad time in his attempt to stir up more trouble. Apparently, he also forgot to let other Teamster hand man Harold Gibbons see it, he read about it in the papers, and he "expressed surprise," too.

Use Your Imagination

For a moment, let's suppose that Hoffa is successful in organizing football, baseball and basketball players by the end of 1966.

Let's also suppose that section 14 (b) of the Taft-Hartley Law has survived all recent attempts. The open shop is still a reality. And most players now carry Teamster cards.

It's Sunday, Dec. 10, and in Green Bay, Wis., where the temperature hovers at 15 degrees, the Trainers (having changed their name from Packers after organizing Local 112), walk off the field and refuse to play the Chicago Bears because it's too cold.

Ridiculous? Members of another union in St. Louis did just that at a certain river bridge construction project, and the temperature was a more moderate 20 degrees.

Celtics vs. Lakers

Now, imagine that it's Jan. 28, 1967, and you've just settled yourself into a comfortable seat at the Boston Gardens in anticipation of watching the Celtics and the Los Angeles Lakers mix it up.

Suddenly, members of Building Maintenance Local No. 3, striking at the Garden over job classifications, set up a picket line, around the playing floor.

The Celtics and Lakers, popping out of their dressing rooms, spot the picket line and refuse to cross it. "It means a heavy fine," says player representative Bill Russell.

The game is played anyway, but it turns into a one-on-one affair, since John Havlicek and Rudy LaRusso are the only players who don't belong to the Teamsters. With Red Auerbach (representing management), and Havlicek, wins, 84-81, and the Celtics retain first place in the Eastern Division.

Six late Lakers fans do cross the picket line, beat Auerbach half to death and are arrested for assault, later accused of

strike-breaking tactics by Hoffa and Local No. 3.

Ridiculous? Non-union labor, one union spokesman said, crossed picket lines to keep production rolling during an extended strike at a certain plant in Granite City this and last year. And somebody aimed more than punches at supervisory personnel; shotgun blasts and explosives mysteriously struck the homes of several over a seven-month period.

Go on in your imagination, to the summer of 1967. Baseball time.

A Walk for Sandy

Imagine yourself inside Dodger Stadium, where the great Satchel Koufax is in the eighth inning of another masterpiece when misfortune strikes the 100 per cent Teamster-club.

Catcher John Roseboro is struck on the thumb by a foul tip, and backup man Tom Seaver isn't even in uniform; he has a virus.

Nobody else on the Dodger club is available--a clause in the union contract states that short-stops will shortstop and outfielders will outfield. (Job classification, y'know)--except young Tim Lincecum, a backstop just up from St. Petersburg.

Young behind the plate, nervously chews his fist into the mitt... and Koufax walks off the mound in a huff.

Young hasn't been with the club long enough for his Teamster card to be issued, and he is going to play catch with a non-member?

Not Koufax. The Dodgers' roster is the game, since the pitcher on the roster will either "pitch" or "not pitch."

Ridiculous? Progress on underground facilities at the Gateway Arch is being held up for very similar reasons, where electricians belonging to two separate unions will not work together.

One final supposition. It's now the fall of 1967. Early September, to be exact. A tale of major sports attractions has been interrupted or disrupted since Jimmy took over. The Federal Mediation Board is still at it, and the strike is suffering from mass exhaustion.

Bright, New Idea

Then a basketball fan from suburban Chicago, soured in the first place by the fact that the new Bulls have yet to win a game in the NBA, comes up with a bright new idea.

Let's see, now. We'll organize a Brotherhood of Basketball Watchers. Set up locals in every NBA city. Establish dues. Assessment rates.

No better yet, we'll wrap up all sports fans in one ball of wax. We'll call it the America's Red-Up Lookers-Congress of Increased Observers.

We'll strike in Pittsburgh if the infield grass is less than two inches. We'll walk out in Atlanta if the seat cushions are flat. And we'll strike in St. Louis if there's an attendant for every car on the parking lot.

Who knows? Maybe we can interest a few Teamsters in membership. Maybe...

Major Expansion Proposed for Village of Pontoon Beach

The major expansion discussed at Thursday night's meeting of the Pontoon Beach village board raises many questions, the answers to which can affect citizens throughout the Quad-City area. Full exploration of all pertinent facts will be essential.

The proposed new village boundaries extend from Highway 111 west to the Alton & Southern tracks, and from Morrison road on the north to South street, north of Illinois Central tracks near Rt. 162. There was no formal discussion of the plan Thursday night, but Mayor Staicoff indicated he looks with favor on substantial and immediate expansion of the village.

There can be no argument with petitioners' wish to become a part of an incorporated municipality. Residing in an unincorporated area now, they evidently desire to obtain the services that only a city or village can provide.

Although Granite City would seem to be a more logical choice to serve such an area, there is nothing intrinsically bad or good about any one municipality compared to another. If a century from now this entire area is a single city, it will not matter in the slightest whether it is known as Granite City, Alton, Pontoon Beach, Columbus or Constantino.

What is vital is whether a municipality has the assessment base and other resources to perform the jobs that it will need to perform for all of its residents. This is the point about which full information must be gathered and analyzed.

Perhaps a degree of rivalry is a factor in the annexation proposal. The Granite City school district earlier last week announced that it will ask the city council to annex its Pontoon Beach junior high school campus to Granite City. The area now proposed as a part of Pontoon Beach includes the same school site.

Before the village was created, proponents repeatedly asserted that incorporation was the only alternative to becoming enmeshed in "city hall politics." Of course, Mayor Staicoff's role as Levee Board treasurer, has hardly kept Pontoon Beach free of politics. And an expansion of the size proposed, scaling off eastward growth by Granite City, envisions a village so large that it could generate quite a volume of politicking on its own.

While rivalry conceivably may be a motivating factor among political leaders, it is the individual taxpayer who will suffer most of the harm or enjoy most of the benefit. The only way will be to keep an open mind, sift assumptions and allegations down to fact, and follow the dictates of logic rather than emotions.

Voting That Deserves Attention

If it can approach the informative and constructive effect of the Granite City mayor candidate forum held last year, the school board candidate meeting arranged for March 31 can be of great help to voters in making their selections this spring. Participation by the Area Delegation will help center parents' attention on annual voting to a greater degree than it generally receives.

Ebersold, "because the taxes are from this area." According to such a theory, the other banks should share equally in the deposit.

What happens to the \$15,000 in interest that was not paid to the Levee Board?

When Levee Board President Lawrence Tolar says there was pressure to put this money in Mayor Levee's bank, I think we would all be interested in knowing where the pressure came from. Did the pressure come from Levee Board member Ebersold, who is also City Clerk Ebersold in Mayor Levee's bank?

As for Village President Staicoff, who is also treasurer of the Levee District, is he merely a participant in this game without any responsibilities to the Levee District taxpayers?

It would certainly seem that the public is entitled to more information.

I would hate to think that the mentioned persons are getting their duties whereby the taxpayers are suffering.

To the Editor:

The recent article in the Press-Record treating with the failure of the East Side Levee and Sanitary District to receive interest on the Levee Board bank deposits with the First National Bank in Madison, and accompanying quotations in the article from Quaker-Mayor Lee and Venice City Clerk Levee Board member William Ebersold, left many questions unanswered.

Was Mayor Lee saying that as the Madison bank is responsible to the Venice taxpayers, the Levee Board members, who they should draw \$15,000 interest on the Levee Board deposits?

Was Mayor Lee being critical of Levee Board member Ebersold for failing to require that interest be paid on the Levee Board deposits?

When Dividends Begin to Shrink

A company in which I hold stock recently cut its quarterly dividend from 55 cents a share to 65. I wanted to sell, but my good advice, suggests that I not be too hasty. Do you agree with him?

A. You don't say what stock you are talking about. I am, therefore, unable to form a judgment. I assume your broker has complete information and is giving you a good answer.

I would think the important question you want answered is: "Why was the dividend cut?" Dividends are usually cut because the company has suffered some kind of reverse. If it happened with your company, you will want to try to find out the cause of the reverse, when earnings are likely to move forward again.

If a long period of rebuilding is ahead, you may be better off putting your money elsewhere. If the company appears to be close at hand, then a change is not likely to be necessary.

If your company enters a substantial expansion plan and reduces dividends to pay for it without working your favor of the long run--as long as the company executes its plan successfully.

\$300 Fire Damage at Drive-In Restaurant

Fire at 2:25 a.m. Sunday caused \$300 damage to a block building at Nameki road and Victory drive occupied by Uncle Chue's drive-in restaurant. The blaze was the result of a short-circuit in wiring of a compressor. Firemen were at the scene for 30 minutes.

A furnace blower motor at the home of Herschel Bow, 2411 Missouri avenue, sustained \$350 fire damage at 12:35 a.m. Sunday.

Appointment by RIDC

Appointment of Donald G. Dunshaw as plant location specialist for the St. Louis Regional Industrial Development Corp. was announced today by RIDC President Dr. Carroll A. Hochstadt. Dunshaw, 26, is a graduate of Minnesota and since 1960 has been a representative of the Area Development Council.

Firemen also were dispatched by the 300 block of Madison drive at 1 p.m. Saturday when rubbish caught fire in a field.

Support of One-Way Street Plan Aids Attack on Traffic Congestion

Aldermen who voted for the one-way street plan, enabling it to go into effect next week, deserve the thanks of Granite City. They are Richard Fy, Ford Johnson, Charles Moerlein, Sam Rutledge, Gene Sternberg, Earl Thompson, Sam Whitmer and William Dallas.

Their votes reflect their concern over the congestion that has been plaguing downtown Granite City and the nearby area, and their willingness to try to do something about it.

The program that has been authorized is the recommendation of the city's traffic engineer. In his opinion, it will effectively and safely expedite the flow of traffic to, from and through the central business district.

It has been obvious for a long time some action to improve traffic was essential. A fair trial will determine whether the one-way plan is the ultimate answer. Even if it is not a perfect solution, it undoubtedly will help point the way to the right answer.

Membership in Mental Health Society a Sound Investment

As outlined in a news article today, over 300 organized mental health workers, Collinsville, Edwardsville, Troy and Highland are being asked to consider becoming members of the Madison County Mental Health Society, Quad-City. Current types of membership range from \$1 to \$500 a year.

Funds obtained will enable the staff of the local psychiatric clinic to be enlarged. This will make it possible to serve a larger number of applicants than the 25 to 30 new patients being accepted each month. The center has served 351 persons in the past seven months, but local and national experience indicates that additional number and treatment of emotional problems.

Memberships can do double duty. Each \$41 contribution becomes \$1 under the state's 59% matching program. And the level of local support can reflect local interest in the mental health field and awareness that the center's "stitch in time" approach helps keep productive lives from being wasted.

Other funds are available, of course. The local clinic is a member of the Tri-Cities, Edwardsville, Troy and Collinsville United Funds, and fees are required from patients on the basis of their ability to pay. But the revenue level is not yet adequate.

Memberships by area organizations could make the difference between the center accepting or having to turn away persons in need of counseling. We urge all local groups to enroll.

A Second Strong Voice In Shaping Education

By action of the governor, pending an opportunity for state legislative consideration, Illinois is being added as joining the Interstate Compact for Education.

If enough other states take similar steps, this will bolster the local-state voice in shaping educational trends. This is imperative at a time when mushrooming federal tax aid threatens to swamp more control of education in Washington. The need for such a compact has been recognized even by the U. S. commissioner of education, with whom in a sense it will "compete."

As asserted in Gov. Kerner's proclamation, "creation of the compact" is an historic step to strengthen education by providing a forum for the discussion of the major problems of education in the collecting, correlating, analyzing and interpreting of data for use by the states.

We obviously have not yet reached the point where a government car could decree specifically what will be taught to children--a step which ranks along with press and army control as the chief tools in establishing and maintaining a dictatorship. But the vast federal bankroll is potentially such a formidable weapon that action by Illinois and other states comes none too soon.

\$300 Fire Damage at Drive-In Restaurant

Fire at 2:25 a.m. Sunday caused \$300 damage to a block building at Nameki road and Victory drive occupied by Uncle Chue's drive-in restaurant. The blaze was the result of a short-circuit in wiring of a compressor. Firemen were at the scene for 30 minutes.

A furnace blower motor at the home of Herschel Bow, 2411 Missouri avenue, sustained \$350 fire damage at 12:35 a.m. Sunday.

Appointment by RIDC

Appointment of Donald G. Dunshaw as plant location specialist for the St. Louis Regional Industrial Development Corp. was announced today by RIDC President Dr. Carroll A. Hochstadt. Dunshaw, 26, is a graduate of Minnesota and since 1960 has been a representative of the Area Development Council.

Firemen also were dispatched by the 300 block of Madison drive at 1 p.m. Saturday when rubbish caught fire in a field.

Whither America? U. S. Economy--A House of Cards?

(Seventh of a series)

As foreboding as the public debt is, it doesn't begin to compare to the way Americans seem to be getting in over their heads in running up huge private debts. The national debt has increased from \$187.7 billion to upwards of \$267 billion. By contrast, state and local debt has gone from \$26.7 billion to \$55.7 billion.

Private debt has also nearly quadrupled during the same period. In fact, not counting corporate debt, individual debt has gone from \$108.8 billion to \$415.5 billion.

In citing such facts, it should be noted that not all debt is bad. In buying a home, financing expansion of a business, sound and reasonable debt is only prudent.

Moreover, there is no measuring rod to tell precisely how much debt is too much.

Even so, there are certain warning signals about the way Americans are getting deeper in debt, signals which we can ignore only at our own peril.

One of them is the steep increase in private debt. In the past year alone, the U. S. Department of Commerce reports, the total of borrowings have gone up 76%.

Another is that our debts are increasing faster than our earnings.

As a percentage of personal disposable income, individual consumer debt is up 18% from 1960 to 1964, while individual mortgage debt went from 28% to 60%.

Easy credit, reports the Traders Company of America, is a leading reason why people purchase more.

With a sudden reverse in the economy, or if debt gets beyond the ability of people to pay, the superstructure could come tumbling down like a house of cards.

Of equal or even greater importance are the moral principles involved. As we get deeper in debt, our futures are placed more and more in the hands of the money-lenders.

"Think what you do when you run into debt," Benjamin Franklin noted. "You give to another power over your liberty."

Moreover, it is becoming easier as credit has become easier and debt has grown bigger, materialism has been fostered at the expense of spiritual values.

There is a growing feeling that material things should be had now, without waiting, without saving, without self-denial.

The danger, then, is not only to the economy but also the character of the American people. Not only the way to remain prosperous, but also one way to remain independent.

As former U. S. Secretary of Agriculture Ezra Taft Benson has said:

"We must ever remember that the nations who sow the seeds of their own destruction will enjoy unprecedented prosperity."

News From The Granite City Press-Record

FEBRUARY 28, 1916

Mrs. M. R. Sullivan entertained the Bridge club. The house was decorated in red, white and blue, and George Washington favors were given to each guest. First on program was birthday, Mrs. Hoerner; second, Mrs. G. W. Binney, and third, Mrs. W. W. Binney.

E. C. Parsons, well-known restaurant man, was agreeably surprised when a number of his friends gathered at his home in celebration of his birthday. Those present were Mr. and Mrs. Blum and children, Mr. and Mrs. Huchenbach, Miss Elizabeth Kelly, and Fred Cochran and Mrs. Vernon. Alton, Collinsville and Hillsboro.

The Granite City high school basketball team won the state tournament for the fifth time, defeating Greenville by the score of 72-14. In the final game, Granite City won 32-14 over Salem, which had beaten Vandalia and Centralia.

In the final, Granite City played Nashville for first-place honors and won 36-21. Other teams in the tournament were the Dayton team, which lost to Mr.

Council Meets Tonight

New One-Way System May Be Started on March 10

Although the new law revising one-way streets has been signed and published, it is expected to be an issue at tonight's Granite City council meeting which starts at 8 o'clock. The effective date for the new one-way system will be March 10.

Several aldermen have challenged the mayor's ruling that the ordinance was adopted on second reading on Feb. 7, despite another vote on third reading last week when there was a 7-0 vote and the mayor added an "aye" vote.

The extension and revision of the system (outlined in the publication of the ordinance elsewhere in this issue) was recommended by the city's traffic engineer and received the unanimous endorsement of the citizens' Traffic Study Commission.

While not listed on the brief agenda for tonight's meeting, a further report on the city's proposed application for federal funds for construction of sewers is expected. Alderman Moerlein, chairman of the Special Pollution committee, stressed last week the city may be eligible for \$1,000,000 to \$1,500,000 federal tax funds by providing "matching" funds through a bond issue. He stressed the application should be filed in two weeks.

Police, Fire Dept. Rules
Other business before the council tonight will be a second reading for the proposed rules for the Board of Fire and Police Commissioners, opposed by the Police Union as being too general; amendments to the zoning code to permit establishment of mobile home courts in the city limits and location of professional offices in residential structures along major thoroughfares.

An amendment to the fire prevention code requiring at least two exits in apartment houses both old and new; and an ordinance to place stop signs on West 24th street at Illinois avenue.

A petition requesting a zone change from C-1 to C-2 commercial.

Speeding Charge Filed
Jacob H. Varadan, 741 Niedringhaus avenue, was arrested at 1:20 a.m. Saturday at 18th street and Delmar avenue on a speeding charge. He was summoned for a hearing by March 11.

DOG OWNER ARRESTED
James T. Hasty, 2912 Victory drive, was arrested Thursday afternoon on a charge of violating the dog muzzle ordinance in a complaint filed by Albert Young, humane officer. He pleaded guilty and was fined \$10 and costs.

RAIL CROSSING BLOCKED
Robert Marker, Decatur, a conductor for the Norfolk & Western Railroad, was charged with blocking the 22nd street rail crossing from 9 to 9:20 a.m. Friday. The engine was unhooked and the rail cars were left standing.

FINED \$40 ON 2 CHARGES
Harry "Toby" Whitman, 20, of 1712 Edison avenue, was fined \$25 plus \$5 costs on a charge of illegal possession of alcoholic beverages and \$15 plus cost on a disorderly conduct charge last week in magistrate's court.

MRS. JULIA MAHER Mrs. Julia Maher, 84, Former Venice Treasurer, Dies

Mrs. Julia Ann Maher, 84, of 434 Lincoln avenue, Venice, who served as Venice city treasurer by appointment for four years, died about 3:30 a.m. Friday at St. Mary's Hospital, Clayton, Mo.

Mrs. Maher had been ill with pneumonia for eight weeks and a hospital patient five weeks. She was a native of St. Louis, but lived in the Quad Cities for 73 years, including 25 years in Madison and the last 50 years in Venice.

She was appointed Venice city treasurer in 1947, to succeed her husband, Thomas F. Maher, who had been elected to the office in April 1937 and died June 19, 1937.

Mrs. Maher, a member of St. Mark's Catholic Church, was treasurer of the church Altar Society for 30 years.

Survivors include a son, Thomas Edward Maher of Venice; a daughter, Mrs. Joseph (Julia) McShane of St. Louis; a brother, Steven Conway of St. Louis; and four grandchildren.

Mrs. McShane's husband is business manager of the St. Louis Cardinals baseball team.

Funeral services were held today with a solemn Requiem High Mass at St. Mark's Church, and burial was at Calvary Cemetery.

Further information is given in today's obituary column.

Barnes Accepts Post At Christian Hospital

Appointment of Alvin T. Barnes Jr. as director of community and public relations of Christian Hospital of St. Louis and Christian Hospital Northwest is being announced by Paul F. Detrick, hospital administrator. He joined the staff Feb. 21.

Barnes was a sports reporter on the old St. Louis Star-Times from 1945 through 1953, after working on the Cairo, Ill. Evening Citizen for four years. During 1952 and 1953 he was press and radio-TV relations officer for the St. Louis Community Chest, and from 1954 through Feb. 1965 he was executive director of the local Associated Retailers & Civic Association.

For the last ten months he was associated with the Farmington, Mo. Press, a weekly paper in the county seat of St. Francois county. He resides at 919 Cheri Heights court, Ferguson.

Parked Car Struck

An auto driven by J. L. Nelson, 2031 Beckwith street, Madison, struck an auto owned by Arthur C. Davis, 3221 Colgate place, while it was parked at 2202 State street at 5:05 p.m. Friday. Nelson told police that the sun blinded him.

Graham Boy Wins Optimists' Oratorical Contest 3rd Time

For the third consecutive year, Kenneth Graham, 14, a Coolidge junior high school ninth grade student and son of Mr. and Mrs. Kenneth Graham, 2017 Manley avenue, was voted the outstanding speaker in the "Optimist Oratorical Contest" sponsored by the Granite City Optimist Club. Clipse to 60 club members, their wives and guests attended the event Thursday evening in the YMCA.

Runners-up in the contest were Wesley Loper, son of Mrs. Mary Jane Loper, 1613 Garfield avenue, also a Coolidge JHS ninth grader, second place; and Eugene Richardson, son of Mr. and Mrs. Russell Richardson, 2630 Missouri avenue, a Prather junior high school ninth grade pupil, who took third place honors.

Official judges were Dr. R. H. Steinke, associate professor of education at Southern Illinois University-Southwestern Campus, Mrs. F. Nell Aschenmeyer, STL, Campus assistant professor of speech; and Steve Jones, assistant principal of Granite City high school.

Arthur D. Roseman acted as timekeeper and Ralph F. Frohardt, Coolidge JHS principal, served as judges' advisor. Contestants were coached by Miss Shirley Foote, Coolidge JHS speech instructor, and Mrs. Susan Kickham, Prather JHS speech teacher.

The Graham youth, who last year went on to capture first place honors at the Zone and district levels, also competed in September at the Optimist International convention in New Orleans, La. Now eligible to advance to zone competition, six other first place winners from Wood River, Alton and Edwardsville contests to determine the district entrant.

Other contestants included Prather students, Thomas Hildebrand, son of Mrs. Nell Hildebrand, 2139 Cleveland blvd., and Richard Filcoff, son of Boris Filcoff, 1307 Iowa street, and Coolidge pupils, John Tyler, son of Mr. and Mrs. Raymond H. Tyler, 2916 Wayne avenue; Glen Melba Melchic, Rural Route One, reported that four subcaps were stolen off her auto while it was parked on the Granite City high school lot between 8 and 9:15 p.m. Thursday.

Drug Abuse Meet Concluded Friday

Dr. Fred V. Hein, director of the education department of the American Medical Association, said Thursday night that education, enforcement and environment will be the most powerful weapons to combat drug abuse. Dr. Hein addressed the closing session of the first National Institute on Amphetamine drug abuse at Pere Marquette State Park.

The institute ended Friday morning following a brief summation session, a press conference and a luncheon. It started Monday and included daily sessions throughout the week, presenting a number of noted speakers from the medical, drug manufacturing, and college fields.

Dr. Hein said the importance of preventive programs cannot be over-emphasized due to the number of treatment failures; it is mandatory to treat addicts with all available means but "it is equally essential that we spend time, money and talent on the prevention of addiction," Dr. Hein said.

The abuse of amphetamine drugs is creating a national problem that must be controlled through cooperation of the drug manufacturers, doctors, druggists and pharmacists, speakers declared in sessions of the institute. Because it is more easily acquired, amphetamine drugs are replacing "hard drugs" such as cocaine and heroin.

The institute was sponsored by the Delinquency Study and Youth Development project of Southern Illinois University, southwestern campus, and the President's Committee on Juvenile Delinquency and Youth Crime.

Oscar Callahan, 63, Dies of Cancer

Oscar Callahan, 63, of 2135 Benton street, died in St. Elizabeth Hospital at 5:30 a.m. Friday following a four-month illness with cancer. He had been a hospital patient 23 days.

Mr. Callahan, a laborer at the Union Star and Refining Co., was born in Crawford county, Mo., and had lived in Granite City 20 years.

He is survived by his wife, Mrs. Helen Callahan; four daughters, Miss Edna Callahan and Mrs. Betty Juanita Lee of Granite City, Mrs. Zelma Prater of Greenville and Mrs. Ruby Lee Montgomery of St. Louis; a son, Clyde Callahan of Granite City, and three brothers and four sisters: Mrs. Leola Durbin of Granite City, Mrs. Bertha Harris of Sherrysville, Mo., Mrs. Rose Brewer of Potosi, Mo., Orville and Otto Callahan of Cadet, Mo., Elmer of East St. Louis and Delmar of Livingston, Ill.

Funeral arrangements are given in today's obituary column.

Mail Order Sales Tax To Net State Million

Marshall Korshak, state revenue director, said Friday a January Illinois Supreme Court ruling that out-of-state mail order firms must pay the sales tax on items sold in Illinois will bring in an additional \$1 million a year.

He said the decision probably will be appealed but that he expects it to be upheld. The test case, in which sales taxes dating back to 1961 were sought, alleged that a Kansas City firm, charged Illinois customers 4% for sales taxes and kept the money as profit. Other firms advertised the lack of sales taxes.

Stanley Brown Honored By Insurance Firm

Stanley S. Brown, 2408 Grand avenue, an agent in the East St. Louis district office of the Prudential Insurance Co., passed the million-dollar sales mark during 1965 for the third consecutive year, according to an announcement from William F. Curcuro Jr., manager of the office.

Brown has represented Prudential since April 1957. During world war II, he served with the U. S. Army in electronics and radar work.

MORE ABOUT Large Pontoon

crowd of more than 60 persons attended Thursday's meeting. Little attention was given to the annexation proposal.

It was read by Village Clerk Edith Phelps, who had the board and passed to William Schooley, board attorney, for verification of signees' addresses.

Several questions concerning the proposed new boundary lines were asked by Trustee Otto O. Kreher.

The majority of village residents present complained about inadequate sewer conditions and construction of multiple dwellings in the Lakeview Estates subdivision. A related article appears elsewhere in today's issue.

Stalcoff later told a reporter that he had been approached by several residents of the proposed annexation area on numerous occasions. He said they would like particular neighborhood incorporated into the village.

Informa Hearings
He added that informal hearings will be scheduled by the board of trustees to answer any questions on the annexation proposal.

"With all the proposed new construction planned, some of it already under way in the village and surrounding area, annexation is the only feasible answer to the future growth of the Pontoon Beach community," Stalcoff said.

Kreher told the reporter after the meeting that he had been aware a petition was being circulated, but that "it was a surprise to see it introduced to tonight."

Ant Salvage Yard Petition
In another petition presented at Thursday's meeting, the newly-formed Pontoon Beach Improvement League, headed by Joseph Rosales, president, sought action on elimination of a junkyard on Kaseberg lane.

The complaint related that autos are frequently burned at the location, causing a nauseous odor, and that the condition may create a health hazard.

The board instructed the attorney to inform the owner that legal action is to be taken if the situation is not corrected.

Plans for Office Building At New SIU-SW Campus Ok'd

Approval was given preliminary plans for construction of a new office and services building at the new SIU-SW campus during a meeting of the university's board of trustees Thursday at the new campus.

The structure, a three-story building to cost about \$3,000,000, is to be designed by the St. Louis firm of Hellmuth, Obata and Kassabaum, architects for the other five buildings on the new campus. The same firm was authorized to draw plans for the second stage of the Life Science building at the Carbondale campus.

Application is to be made under Title I of the Higher Education Facilities Act for financial assistance in construction of a physical education building at the new campus and a faculty offices wing of the Physical Sciences building now under construction on the Carbondale campus. Trustees acknowledged receipt of a federal grant of \$400,000 to match state funds in construction of a television station at Olney.

Fischer on Committee
Following the election, Kenneth L. Davis, Harrisburg businessman and former Saline county school superintendent, as board chairman, the trustees assigned themselves duties on statewide boards and commissions. Harold R. Fischer, president of the First Granite City National Bank and a university trustee, will serve on the executive committee. Two professors were added to the continuing faculty and four scholarly specialists were approved for short time appointments as visiting professors. Elmer Johnson, former assistant

director of prisons in North Carolina, will join the faculty June 1 as a professor of sociology to serve in the Center for the Study of Crime, Delinquency and Corrections.

John K. Leasure, a native of Sidiell, Ill., and former research group leader for the Dow Chemical Co., will join the faculty March 25 as a professor of plant industry, in the School of Agriculture.

Visiting Professors
Appointed as visiting professors were William R. Dennis, formerly of the University of California and Yale University, to serve during the spring quarter as professor of philosophy; Gilbert E. Lenz, California legislative analyst and former professor at the University of Hawaii, to serve in the spring quarter as professor of government; Paul Mason, former legislative secretary to the governor of California, to serve as professor of government and in the Public Affairs Research Bureau; and A. E. Zuckler, formerly of Indiana University, to serve part time as professor of foreign languages.

Housing Development
The board also sent a recommendation to the SIU Foundation concerning a contract award of a \$4 million moderate-income housing development for married students and staff members at SIU.

The Foundation will act as mortgagee on the apartment project, for which the Federal Housing Administration has approved a 40-year loan, first of its kind to a university. When completed, the apartments will be leased to the University until the loan is paid off.

Three Divorce Decrees Granted in Court Here

Three divorce decrees were granted Friday by Associate Judge Austin Lewis in the Granite City division of circuit court. They were awarded to:

Gloria Jean Fuzzy of Nameoki township from Ralph Albin Fuzzy Jr., Hopewell, Va. They were married July 26, 1962, at Las Cruces, N. M., and separated in July 1964. Desertion was charged. Custody of two children was given the mother. The matter of child support was reserved by the court.

Clyde Ahmer of Madison from Anna Ahmer, Madison, Wis., on a charge of desertion. They were married Jan. 22, 1956, and separated March 15, 1963. Custody of four children was awarded to the father.

Diana Parks of Granite City from John H. Parks Jr., Myrtle Beach, S. C. They were married Aug. 15, 1963. Cruelty was charged and custody of one child was granted to the mother. The father was ordered to pay \$10 per week child support.

Home Laundry Union Dispute is Settled

Settlement of a vacation pay dispute for three employees of the Home Laundry, 2230 East 24th street, operated by Mrs. Marie Kircher, was announced today.

Faye Gartland, president of the Laundry, Dry Cleaning and Dye House Workers International Union, Local 161, said a settlement was reached for holiday pay, vacation pay and welfare fund pay. Picketing was started. Miss Kircher said, after she dismissed one employee and two other workers joined the employee by leaving their jobs.

The three employees became members of the union last July. Miss Kircher said she intends to continue operating the laundry as an individual without help.

Upper 40% of HS Class

SIU Board Tightens Admissions Policy

Southern Illinois University adopted a graduated admissions policy as a working compromise between the facets of overcrowding and the university's traditional open door to higher education. The policy was approved at a meeting of the board Thursday at the new SIU-SW Campus.

The new policy, which stiffening entrance requirements for the fall and winter terms, makes use of the university's time-tested year-around operation to offer lower ranking high school graduates a chance to enter during the spring or summer quarters.

The new policy, affecting both Illinois and out-of-state registration, is effective with the summer quarter 1966.

Full quarter first term freshmen enrollment will be limited to Illinois high school graduates who ranked in the upper half of their class, or who achieved high scores on entrance exams. Out-of-state freshmen must rank in the upper 40%.

Winter Quarter Policy
Winter quarter first term Illinois freshmen must rank in the upper two-thirds of their class or have high entrance exam scores to gain admission. The upper 40% rule applies for out-of-state freshmen.

Spring quarter will find all Illinois first term freshmen admitted, provided they make adequate scores on entrance examinations, with those ranking in the lower one-third of their class automatically being placed on academic probation. The 40% rule for out-of-staters applies during this quarter also.

Summer quarter enrollment again is open to all Illinois freshmen, with the same "adequate scores" and probation provisions as in the spring quarter. Out-of-state first term freshmen also will be admitted, provided they make adequate scores on entrance exams, however those ranking in the lower 60% of their high school classes will be placed on automatic probation.

Transfer students in good standing at their former institutions will be admitted in any quarter.

Admission on academic probation means the student must make a B grade average (letter grade C) during his first quarter or face academic suspension for at least two quarters.
